Message from the Rector

Dear Lenten People of God,

Our Season of Lent is rapidly coming to a close. Next Sunday we begin Holy Week. We always speak of Lent in terms of fasting. Lent should be more than a time of fasting. It should also be a joyous season of feasting. Lent is a time to fast from certain things to feast on others. The Notre Dame Center for Pastoral Liturgy wrote the following beautiful reflection in their January 1993 journal - *Assembly*. Read and reflect. Pray and ponder. Share with family and friends.

Fasting and Feasting

FAST from judging others	FEAST on the Christ within them.
FAST from emphasis on differences	FEAST on the unity of life.
FAST from apparent darkness	FEAST on the reality of lights.
FAST from thoughts of illness	FEAST on the healing power of God.
FAST from words that pollute	FEAST on phrases that purify.
FAST from discontent	FEAST on gratitude.
FAST from anger	FEAST on patience.
FAST from pessimism	FEAST on optimism.
FAST from worry	FEAST on divine order. Trust in God.
FAST from complaining	FEAST on appreciation.
FAST from negatives	FEAST on affirmatives.
FAST from unrelenting pressures	FEAST on unceasing prayer.
FAST from hostility	FEAST on nonresistance.
FAST from bitterness	FEAST on forgiveness.
FAST from self-concern	FEAST on compassion for others.
FAST from personal anxiety	FEAST on eternal Truth.
FAST from discouragement	FEAST on hope.
FAST from facts that depress	FEAST on verities that uplift.
FAST from lethargy	FEAST on enthusiasm.
FAST from suspicion	FEAST on truth.
FAST from thoughts that weaken	FEAST on promises that inspire.
FAST from shadows of sorrow	FEAST on the sunlight of serenity.
FAST from idle gossip	FEAST on purposeful silence.

At the same time, Lent is a time of feasting in terms of sharing. Keep reading

The old man placed an order for one hamburger, french fries and a drink. He unwrapped the plain hamburger and carefully cut it in half, placing one half in front of his wife. He then carefully counted out the french fries, dividing them into two piles and neatly placing one pile in front of his wife. He took a sip of the drink, his wife took a sip and then set the cup down between them. As he began to eat his few bites of hamburger, the people around them were looking over and whispering. Obviously they were thinking, "That poor couple—all they can afford is one meal for the two of them." As the man began to eat his fries, a young man came to the table and politely offered to buy another meal for the old couple. The old man said they were just fine—they were used to sharing everything. People closer to the table noticed the little old lady hadn't eaten a bite. She sat there watching her husband eat and occasionally taking turns sipping the drink. Again, the young man came over and begged them to let him buy another meal for them. This time the old woman said, "No, thank you, we are used to sharing everything." Finally, as the old man finished and was wiping his face neatly with the napkin, the young man again came over to the little old lady who had yet to eat a single bit of food and asked, "What is it you are waiting for?" She answered, "His teeth."

Sharing is great, but I do suggest keeping your own teeth!

Fasting and Feasting with you,

Fr. Greg

Join us for a new & exciting Cathedral event.
More details to come!

Did you notice the scaffolding a few weeks back on State Street?

We had the main entrance to the Cathedral covered in scaffolding a few weeks back and that was for a necessary inspection of the west wall and tuck-pointing for everyone's safety. This is a precaution we need to do every other year and it helps us as a parish to keep you and all of our guests safe as they enter and exit our doors.

When you donate to the building and maintenance fund, you are helping us to pay for necessary work like the most recent inspection. Annually we raise over \$30,000 for the fund, but we need so much more to keep up with expenses. If you use your envelopes, please be generous to the Building and Maintenance Fund—the yellow envelope. You can always make a gift online via the Give page and select the Building and Maintenance Fund drop down when making your gift.

Every dollar helps—thank you!

Embrace Hope as Easter Approaches

Easter is two weeks away. There is an understandable and logical reason that we hear the Gospel Reading from St. John about Jesus raising Lazarus from the dead on this Fifth Sunday of Lent. Jesus' Resurrection is ever nearer for us. His miracle of raising Lazarus is the last recorded by John, but its timing is exactly what the Lord wished it to be.

In the Gospel, Jesus makes it all clear to us. The Lord says, "I am the resurrection and the life; whoever believes in me, even if he dies, will live." That understanding and acceptance and rejoicing at the Resurrection is what Lent has been about and what our preparations in these final days of Lent should be about as well.

Phillips Brooks is probably best known as the author/composer of one of the most endearing Christmas Carols "O Little Town of Bethlehem." However, Brooks also understood what faith is all about. He said, "Let every man and woman count himself and herself immortal. Let them catch the revelation of Jesus in His resurrection. Let each say not merely, 'Christ is risen,' but also 'I shall rise.'"

The Catechism of the Catholic Church (1002) says, "Christ will raise us up 'on the last day'; but it is also true that, in a certain way, we have already risen with Christ. For, by virtue of the Holy Spirit, Christian life is already now on earth in participation in the death and Resurrection of Christ." It is this truth, this hope, that we are to embrace as Easter approaches.
