

Holy Name Cathedral

Dear People of God,

I wanted to provide an update on the redevelopment of the surface parking lot, located across State Street to the west of the Holy Name Cathedral.

As has been previously reported, the parking lot across the street from the Cathedral is under contract to JDL Development, a high quality developer with several noteworthy projects in the River North area. We believe the proposed development will dramatically improve the neighborhood and directly benefit the Holy Name Cathedral community with an increased number of parking spaces in the enclosed garage, a formal open green space across from the Cathedral and new amenities for neighbors and parishioners.

In addition to a general public meeting scheduled for October 24th at Loyola University (25 E. Pearson, in Kasbeer Hall on the 15th floor) from 6:30 – 8:00 PM, there will be a special opportunity for parishioners to hear about the proposed development directly from JDL Development and have their questions answered on November 8th at 7:00 PM in the Church at Holy Name Cathedral. We look forward to seeing you then.

I will continue to update you on the progress of this project in future bulletins and on our Cathedral website. In the meantime, please contact me at 312-787-8040 if you have any questions. I ask for your continued prayers, patience and supports.

Blessings and Joy,
Fr. Greg
