Dear Holy Name Cathedral Parishioners,

We are very grateful for the many expressions of concern and support we have received since we reported evidence of criminal trespass of the Cathedral grounds. While we await the outcome of the police investigation and criminal court proceedings we have moved forward with our efforts to strengthen our security procedures with a new security service provider for Holy Name Cathedral. We are committed to ensuring our Cathedral remains a beacon of our faith and continues to welcome all who enter.

Thank you very much for your many prayers and know my prayers are with all of you. ... God's blessings always... Fr. Greg Sakowicz, Rector.
