Message from the Rector

Dear People of God,

Our Easter Season continues and May is rapidly approaching. Daylight is “growing” along with the trees, grass and flowers. Life abounds all around us and the rolling back of the stone on Easter morn provides the doorway to enter into new life with our Lord Jesus Christ.

What does “new life” in Christ mean for all of us? What does it mean to walk together as a community of believers in the name of Christ? The following story provides a glimpse

In the story, an old man is dying and calls his people to his side. He gives a short sturdy stick to each of his many offspring, wife and relatives. “Break the stick,” he instructs them. With some effort, they all snap their sticks in half. “This is how it is when a soul is alone without anyone. They can be easily broken.” The old man next gives each of his kin another stick and says, “Put your sticks together in bundles of twos or threes. Now, break these bundles in half.” No one can break the sticks when there are two or more in a bundle. The old man smiles. “We are strong when we stand with another soul. When we are with another, we cannot be broken.”

- Clarissa Pinkola Estes

We are the Body of Christ and we need to stand strong together. Individually we can make a profound difference and as a Faith Community we can stand united to love this world back into life. Easter is more than a date on the calendar. Easter provides a point of reference for our life that shouts life so abundant we call it eternal—Resurrection!

This is a marvelous time of the year. The warmth of the sun and the greeting of earth’s carpet give us the chance to bury the cold and dark days of winter and spark new life into us. Easter Season joy and hope provides new meaning to Malachi 3:3—“He will sit as a refiner and purifier of silver.” Keep reading

This verse puzzled some women in a Bible study and they wondered what this statement meant about the character and nature of God. One of the women offered to find out the process of refining silver and get back to the group at their next Bible study. That week, the woman called a silversmith and made an appointment to watch him at work. She didn’t mention anything about the reason for her interest beyond her curiosity about the process of refining silver.

As she watched the silversmith, he held a piece of silver over the fire and let it heat up. He explained that in refining silver, one needed to hold the silver in the middle of the fire where the flames were hottest in order to burn away all the impurities.

The woman thought about God holding us in such a hot spot: then she thought again about the verse that says: “He sits as a refiner and purifier of silver.”

She asked the silversmith if it was true that he had to sit there in front of the fire the whole time the silver was being refined. The man answered that yes, he not only had to sit there holding the silver, he had to keep his eyes on the silver the entire time it was in the fire. If the silver was left a moment too long in the flames, it would be destroyed.

The woman was silent for a moment. Then she asked the silversmith, “How do you know when the silver is fully refined?”

He smiled at her and answered, “Oh that’s easy—when I see my image in it.”

If today you are feeling the heat of the fire, remember that God has his eyes on you and will keep watching you until He sees His image in you.

May the fire of our Easter Season spark new life into our lives. Remembering—life is a coin. You can spend it any way you wish, but you can only spend it once.

On the journey with you,

Fr. Greg

Sign of Peace & Communion from the Cup During Cold & Flu Season

As we enter this cold and flu season, it is important to recognize that some people are especially susceptible to the viruses that can be spread by contact and that some immune systems are very sensitive. Please understand that some people may choose not to shake hands during the Sign of Peace, but might simply greet you with a smile.

If you do decide to come to church for Mass, please remember that frequent and thorough hand - washing, refraining from physical contact during the Sign of Peace, and refraining from receiving communion from the Chalice can help prevent the spread of germs.

The Choir of the Cathedral of the Madeleine to sing at Holy Name Cathedral,

April 22, 2018 at the 9:30 AM Mass.

Founded in 1909, the Choir of The Cathedral of the Madeleine, consisting of adult musicians and the choristers of The Madeleine Choir School, exists principally to serve the liturgical prayer of the Cathedral Church of the Diocese of Salt Lake City. The choir sings weekly at the 11:00 am Sunday Mass and daily at the 5:15 pm Mass during the choral term. Sunday Vespers at 5:00 pm are sung by the choir on designated holy days including Christmas Day and Easter Sunday.

The choir sings a wide variety of liturgical music spanning every period in music history — from Gregorian chant to present day compositions — and takes seriously its duty of “preserving the sacred heritage of church music,” performing regularly the works of significant composers from throughout the centuries.

The choir has traveled on nine international tours that have offered performances in London, Paris, Madrid, Rome, Vienna, Prague, and Berlin, including Westminster Cathedral, Notre Dame de Paris and St. Peter’s Basilica. The Choristers of The Madeleine Choir School can also be heard on the Utah Symphony’s newly released CD recording of **Gustav Mahler’s Symphony No. 8** available at referencerecordings.com.

Five compact discs are available from the Choir: *Live from the 2011-12 Concert Season*, *Sing Joyfully*, *Let the Bright Seraphim*, *O Great Mystery and Wondrous Sign*, and *Missa S. Aloysii, MH 257 – J. Michael Haydn*. These compact discs are available at all concerts and for a suggested donation at utmcs.org.

Day of Service

"But it is lovely to help others, to serve others.... Perhaps we will get tired! But that is the way life is, and the heart is filled with joy and hope. This is love and hope together: to serve and to give." (Pope Francis, 4/12/17)

Please join us for a Day of Service on June 23rd, 2018, and get tired! We are putting together teams of adult and teenage parishioners (13-17 years of age, only if accompanied by parent) to participate in a variety of Catholic service projects at local organizations. Project sites include Catholic Charities, Cristo Rey High School and St. Benedict the African School.

The day will begin at 9am with registration and reflection, followed by a four-hour service project, returning to HNC for a volunteer mass led by Fr. Moriarity, and then food and fellowship to wrap up the day, ending by 5pm. We will have fun, but we will also make a real difference!

This is a great chance to give back to our community while also strengthening your relationships with fellow parishioners. Please follow this link to register to join us for this very special and active day:

Accompanying People and Families Facing

Beginning **Tuesday, April 3 at 6:30 p.m.**, Holy Name Cathedral Parish will host a five week series that will provide an overview of mental illness, faith-based supports for those who accompany people with mental illnesses and community resources that are available. Speakers will include, on various evenings, members of the Archdiocesan Commission on Mental Illness, a psychiatrist, a psychologist and a panel of family members who will speak from experience.

People with mental illness and their families may feel isolated from their faith community and thus isolated from God. If someone feels rejected by church they feel rejected by God. Isolation is often caused by the stigma associated with having a mental illness. The fear of being judged as inadequate or weak willed, or the misperception that God is punishing them because they did something wrong, or the communities misperception of what mental illness is and how it affects the individual and their families are powerful contributors to the isolation and loneliness that people feel. As a healing community we can support people with mental illness and their families and with unconditional non-judgmental love in the following ways: increase our awareness of mental illness and where to get help; offer prayers and support for individuals and families who are affected by mental illness; serve on parish communities for outreach to individuals and families; get involved in peer ministry; and work on the justice issues affecting mental health care.

Stewardship

Prayer of Faithful Stewards

Heavenly Father,

We give you thanks for the inspiration of your Holy Spirit as we reflect on the gospel call to exercise Christ's stewardship on our journey of faith.

We ask you to guide us in our discernment and show us how to be faithful in the plans we make, the actions we take, and the love we share on our pilgrim way.

Give us the courage to find wisdom in our sacrifices, joy in our generosity, and hope in the compassion we show, especially to those most in need of your comfort and care.

Create in us a more open heart and a greater awareness of our need to grow, to change, to be transformed, so that we may be better stewards of your gifts for the good of all.

Amen.
