# Reflections from Our Rector

Dear People of God,

Our Easter season continues, and May is rapidly approaching. Daylight is “growing” along with the trees, grass and flowers. Life abounds around us, and the rolling back of the stone on Easter morn provides the doorway to enter a new life with our Lord Jesus Christ.

What does “new life” in Christ mean for all of us? What does walking together mean as a community of believers in the name of Jesus Christ? The following story provides a glimpse. ...

In the story, an older man is dying and calls his people to his side. He gives a short, sturdy stick to each of his many offspring, wife and relatives. “Break the stick,” he instructs them. With some effort, they all snap their sticks in half. “This is how it is when a soul is alone without anyone. They can be easily broken.” The old man next gives each of his kin another stick and says, “Put your sticks together in bundles of twos and threes. Now, break these bundles in half.” No one can break the sticks when two or more are in a bundle. The old man smiles. “We are strong when we stand with another soul. When we are with another, we cannot be broken.”

-Clarissa Pinkola Estes

We are the Body of Christ and must stand strong together. Individually we can make a profound difference, and as a Faith Community, we can stand united to love this world back into life. Easter is more than a date on the calendar. Easter provides a point of reference for our life that shouts life so abundant we call it eternal – Resurrection!

Spring is a marvelous time of the year. The warmth of the sun and the greening of the earth’s carpet give us a chance to bury the cold and dark days of winter and spark new life into us. Easter Season joy and hope provide new meaning to Malachi 3:3 – “He will sit as a refiner and purifier of silver.” Keep reading. ...

This verse puzzled some women in a Bible study, and they wondered what this statement meant about the

character and nature of God. One of the women offered to find out how to refine silver and get back to the group at their following Bible study. That week, the woman called a silversmith and made an appointment to watch him at work. She didn’t mention anything about the reason for her interest beyond her curiosity about the process of refining silver.

As she watched the silversmith, he held a piece of silver over the fire and let it heat up. He explained that in refining silver, one needed to keep the silver in the middle of the fire where the flames were hottest to burn away all the impurities.

The woman thought about God holding us in such a hot spot: then she thought again about the verse that says: “He sits as a refiner and purifier of silver.”

She asked the silversmith if it was true that he had to sit there in front of the fire the whole time the silver was being refined. The man answered that yes, he not only had to sit there holding the silver, but he had to keep his eyes on the silver the entire time it was in the fire. It would be destroyed if the silver was left a moment too long in the flames.

The woman was silent for a moment. Then she asked the silversmith, “How do you know when the silver is fully refined?”

He smiled at her and answered, “Oh, that’s easy – when I see my image in it.”

If you are feeling the heat of the fire today, remember that God has His eye on you and will keep watching you until He sees His image in you.

May the fire of our Easter Season spark new life into our lives. Remembering – life is a coin. You can spend it any way you wish, but you can only spend it once.

Easter Season Blessings,  
Fr. Greg

P.S. It was great to see so many members of our Holy Name Cathedral Faith Community on Friday at our inaugural Heart of Holy Name event at the Chicago Cultural Center. Thanks to all who attended, donated and sponsored the event. More on this next week!

## On the Cover

**“Road to Emmaus” by Fritz von Uhde (1848-1911). Pastel on paper. Dresden State Art Collections, Germany**

When Jesus interpreted all the passages in the Scriptures that referred to him, everything made sense for the two disciples. How did Jesus light up

the Scriptures? What was Jesus' method? It worked, for the text said, the two disciples said, “Were not our hearts burning within us while he spoke to us on the way and opened the Scriptures to us?” Jesus spoke to the heart, not just the head. And the disciples got it because their hearts were seeking it, their hearts were right, their hearts were in love with the right thing, the thing the Messiah was designed to bring them; salvation from sin, sanctity, charity, love. Jesus' explanation worked because it was heart to heart, not just head to head. And ‘heart’ here means something much deeper than feeling or emotion. It was wisdom, intuition, spiritual intelligence, understanding, seeing deeply because you love deeply that which is most deeply worth loving.

# The Easter Candle is a Powerful Symbol of the Risen Lord

By Fr. Andy Matijevic

One of the markings of the Easter season is the Easter (Paschal) Candle. Every year at Easter Vigil, parishes bless a new Easter Candle. The candle is then lit from the fire, giving it a 'blessed' flame. From that flame, at the Vigil, every baptized person lights their candle, illuminating the darkness around us. The Easter Candle symbolizes the Risen Lord signifying the Lord who descended into the darkness of death and brought his light to those in darkness. We are given the same light at our baptism to dispel the evil of sin and death in our lives.

But it also has Old Testament roots. As the Israelites were fleeing slavery in Egypt and walking towards the promised land, God guided their steps, during the day as a column of cloud, and at night, as a pillar of fire (Exodus 13). Since the Vigil begins after sunset and retells our salvation history, we follow, like the Israelites, the pillar of fire from darkness and sin into light and freedom.

The candle itself contains symbolism as well. These symbols are the cross, the year, and the first and last letter of the Greek Alphabet. The priest celebrant either cuts these symbols into the candle or the candle maker paints on the symbols. And each symbol has a specific meaning. The priest says, "Christ yesterday and today (vertical line for the cross), the beginning and the end (horizontal line for the cross), the Alpha (letter A), and the Omega (Ω). All time belongs to him (adds number 2), and all the ages (adds number 0) to him be glory and power (adds number 2) through every age and forever. Amen." (adds number 3). Because these symbols (including the new year) are etched into the candle's wax, we always have a new candle each year. Five grains of incense, or nails, are added to the candle to symbolize the five wounds of Christ on the cross. As the priest places the nails into the candle, he says, "By his holy and glorious wounds, may Christ the Lord guard us and protect us, amen."

**Deacon Dennis Robak carries the Easter Candle into the Cathedral during the Easter Vigil on April 8.**

After the blessing of the fire and the new candle, the priest lights the candle from the blessed fire by saying, "May the light of Christ rising in glory dispel the darkness of our hearts and minds." Then the procession to the darkened church begins by following that single flame, that pillar of fire. From there, the Easter Vigil follows, when we proclaim Christ risen from the dead.

Each parish needs a new Easter Candle every year to symbolize the resurrection, and practically as the candle shrinks in size over the year. The Easter Candle is lit every day for 50 days during the Easter season and then for funerals and baptisms throughout the year as a symbol of life beginning and ending in Christ.

Whatever Catholic Church you walk into, look for the Easter Candle and admire its beauty and uniqueness as each parish finds its own style. And remember that this candle symbolizes Christ, who conquered the grave and offers eternal life to those who follow the light.

### Career Network May Webinar

## Tips for the Job Search for Older Candidates

Thursday, May 18, at 7:00 pm via Zoom

Join us for our May webinar! The topic will be “The Job Search for Older Candidates”. What is the biggest challenge in finding a job over age 50, and what can you do about it? It’s often said that it is more difficult for older candidates to find a good job. This presentation looks at this subject with an eye to dealing with the special issues of older workers. The main points that will be discussed include:

- Facing the “age” issues,
- Careful on that resume!
- Control what you can control.

Jim Peterson is a co-founder of the Career Boot Camp which ran for ten years in the western suburbs as part of the Interfaith Career Network. As a professional who found three great jobs since turning 50 in 2002, Jim has lots of personal insights into this topic. Jim currently works as a Tax Director in a major Chicago-based corporation and is active in several non-profit organizations and professional associations. Scan the QR code to sign up.

### It's Time to Garden Again!

By Fr. Ton Nguyen

**W**hat are the “Four Seasons”? Google says they are luxury hotels and resorts. When

I came to the Cathedral, my car’s nickname became the “Four Seasons.”

What significant car upgrades

have I made? During autumn, the

car would be fragrancd with donated turkeys and chrysanthemums. When winter arrived, I became an Uber for many Christmas trees and delicious hams from Jewel. Spring is coming, and flowers and soil perfume my car. I hope my car is enjoying the new name!

It is time to reactivate our St. Therese’s Garden Ministry, often described as a spiritual oasis. It provides a peaceful place for prayer, a tranquil space for parishioners and a warm, welcoming respite for our friends and neighbors.

The Garden Ministry promotes fellowship, supports the community, and grows holiness like St. Therese, “Doing small things with great love.” Garden Ministry friends gather to plant and care for the Cathedral’s courtyard and planters. With summer arriving before we know it, the ministry will resume gardening activity next Saturday, April 29, from 9:30am to 11:00am. We will do a simple campus clean-up and plant some flowers. Whether you are an experienced gardener or someone who enjoys the outdoors, fellowship and some light physical activity, we hope to see you on April 29 in the Courtyard. And I promise, your car will not have a new “Four Seasons” nickname at the end of the day! I love being a priest. JMJ

## Filling Your Spiritual Backpack: Become Inspired by St. Damien of Molokai

**Sunday, May 21, after 5:15pm Mass  
in Club Room**

Considered an unlikely candidate for the priesthood, Fr. Damien lived the Gospel, preaching, caring, and advocating for the residents of the Hawaiian leper colony on the Kalaupapa Peninsula. His ministry is one of accompaniment with the marginalized. Together, we will recognize how Damien's spirituality may parallel Pope Francis' Art of Accompaniment.

## What is a Mass Intention?

Holy Name Cathedral offers you different possibilities when you request that Mass be celebrated for a particular intention. Requesting a Mass intention means that you are asking that the grace of Christ's sacrifice in his death and resurrection be applied for a particular purpose, for example, for a deceased person or a living person who is ill or in thanksgiving for a favor received.

At Holy Name Cathedral, we celebrate single-intention Masses as well as gathered-intention Masses (Wednesdays at 8:00am and Fridays at 12pm). To request a Mass Intention, please stop by our Rectory during business hours. Any questions, call the Rectory (312) 787-8040.

## Light a Prayer Candle

Lighting a candle for your family and friends or for a personal prayer is an important Catholic tradition. We know many of you may not be able to come into the Cathedral to light the candle yourself. It would be our honor to have one of our resident priests light a Cathedral Candle on your behalf. They will pray to our Lord to intercede on behalf of your personal intention. Scan the QR code to complete the request form.
