# Reflections from Our Rector

Dear People of God,

It is hard to believe July is half over! I hope you are taking the time to create memories with family and friends — and take the time to attend Mass!

I share with you a beautiful story given to me. Enjoy and pass it on ...

Our 14-year-old dog Abbey died last month. The day after she passed away, my 4-year-old daughter Meredith cried and talked about how much she missed Abbey. She asked if we could write a letter to God so that when Abbey got to heaven, God would recognize her. I told her that I thought we could do so, and she dictated these words:

Dear God,

Will you please take care of my dog? She died yesterday and is with you in heaven. I miss her very much. I am happy you let me have her as my dog even though she got sick.

I hope you will play with her. She likes to swim and play with toys. I am sending a picture of her so you will know she is my dog when you see her. I really miss her.

Love, Meredith

We put the letter in an envelope with a picture of Abbey and addressed it to God/Heaven. We put our return address on it. Then Meredith pasted several stamps on the front of the envelope because she said it would take lots of stamps to get the letter all the way to heaven. That afternoon she dropped it at the post office. A few days later, she asked if God had gotten the letter yet.

I told her that I thought He had.

Yesterday, a package wrapped in gold paper appeared on our front porch addressed 'To Meredith' in unfamiliar handwriting. Meredith opened it. Inside was a book by Mr. Rogers called, 'When a Pet Dies.' The letter we had written to God in its opened envelope was taped to the inside front cover. On the opposite page were the picture of Abbey & Meredith and this note:

Dear Meredith,

Abbey arrived safely in heaven. Having the picture was a big help, and I immediately recognized her.

Abbey isn't sick anymore. Her spirit is here with me just like it stays in your heart. Abbey loved being your dog. Since we don't need our bodies in heaven, I don't have any pockets to keep your picture in, so I am sending it back to you in this little book for you to keep and have something to remember Abbey by.

Thank you for the beautiful letter and your mother for helping you write it and sending it to me. What a wonderful mother you have. I picked her, especially for you. I send my blessings daily, and remember that I love you very much. I'm easy to find. I am wherever there is love.

Love, God

And I conclude this midsummer article with more "food for thought."

A Mercedes-Benz commercial shows one of their cars colliding with a concrete wall during a safety test. Someone then asks a Mercedes engineer why their company does not enforce their patent on the car's energy-absorbing car body.

Almost every other car maker in the world has copied the Mercedes' design even though they have an exclusive patent.

The engineer replies in a beautiful German accent, "Because in life, some things are just too important not to share.

Wow! What a great statement. Some things in life are just too important not to share.

As Christians, we believe that the Good News of Jesus Christ is one of those things that is too important not to share. No, that is an understatement.

We believe that Jesus Christ MUST be shared with our friends, our neighbors and the world. The work of sharing the Good News of Jesus Christ belongs to all of us. By our baptism, we are called to love this world back into life.

The word "Gospel" means Good News. May we spend our lives spreading the Good News of Christ both in work and action. And remember this thought: You may be the only Bible someone may ever read by your words and actions.

In a reflective summer mood,  
Fr. Greg

## On the Cover

### Jesus, the Sower, stained glass window by J. Powell & Son, Saxlingham, Norfolk, England

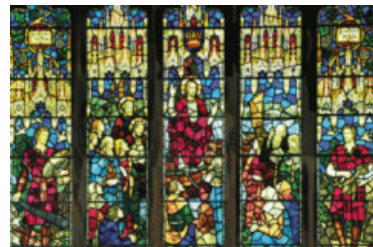

The Gospel reminds us that the fruitfulness of the earth and our own lives should not be taken for granted.

Matthew describes Jesus as teaching a parable about planting

seeds. A parable is a true-to-life symbolic story that surprises its hearers with its message. Everyone in Jesus' time would have known about the challenges of farming. But the surprising thing is that the good soil – those who hear God's Word and act on it – produces a harvest so abundant that it would have been impossible in the ancient world and still today.

God's Word bears fruit in abundance all around us. Signs of life abound. Let us go forth this week with open eyes, ears, and hearts to the many places in our lives, in the Church, and in the world where God's Word is taking root and already bearing the fruit of hope to be fully realized in the future.

# The Spirit is Alive with the Exciting Changes in the Church

By Fr. Andy Matijevic

**T**he Catholic Church is on all seven continents. Yes, even in the Antarctic, the Catholic Church is there for those who serve the Argentinian research base in Esperanza Bay. With the Church worldwide, endless news stories are essential to be aware of at the universal, national and local levels.

Since October 2021, the Universal Church has been engaged with the 16th Ordinary General Assembly of the Synod of Bishops, otherwise known as the Synod on Synodality. Synod comes from two Greek words, ‘syn’ and ‘hodos,’ meaning “on the journey with.” This Synod focuses on listening to each other as we walk together on the journey of life and faith. Since the Second Vatican Council, the Universal Church has undertaken 15 other General Synods, the most recent being the Synod on Young People in 2018.

A Synod is an opportunity to gather representatives worldwide to focus on a common topic. Other themes for past Synods have been Marriage and Family Life (2015), Formation of Priests (1990), and Evangelization in the Modern World (1974). Since the first Synod in 1967, the body of consultors typically consisted of bishops and priests worldwide. Pope Francis has widened that participation to include laymen and laywomen.

This Synod is so groundbreaking that the delegates appointed by the Vatican, around 400 in total, including men and women, ordained, consecrated, and lay people, all have the power to vote on the Synod proceedings. Cardinal Cupich has been named as a delegate for this Synod, along with Cardinal Joseph Tobin from Newark, N.J., Cardinal Wilton Gregory from Washington, D.C., and Cardinal Robert McElroy from San Diego, Calif. The United States will have around 20 delegates at the Synod. This Synod represents an exciting time for the Church, with a wide variety of delegates bringing their experience

of the Church and walking with others to address growing issues we face today.

The Church in the United States has embarked on a three-year Eucharistic Revival, culminating in a National Eucharistic Congress in Indianapolis in July 2024. This year (2023) is designated the “Parish Year” for the revival. Parishes are encouraged to address the shocking reality that a 2019 Pew Research Survey revealed that seven in 10 people believe the Eucharist is a symbol and not the Real Presence of Jesus contained in the Eucharist. For 2,000 years, Catholics have professed Christ present in the Eucharist, and countless people have died defending this belief. This revival aims at rediscovering the wondrous mystery of the Eucharist and the power it should have in our life. As I say at every Mass, in the words of St. Augustine, reception of the Eucharist should allow us to “see what we believe in, and become what we receive.”

The Church in Chicago is moving into the “Building the New Reality” phase of the Renew My Church Initiative, which began in 2015. The Archdiocese of Chicago, comprised of Cook and Lake Counties, now has 220 parishes, a decrease from the 356 parishes in 2015. Recently, the Archdiocese redrew the Vicariate (regional) boundaries to balance the placement of parishes. The same thing is currently underway to redraw the deanery (local boundaries) to accommodate these changes. This new phase of “Building a New Reality” is meant to put into action the goals set by the Archdiocesan parish groupings, such as sharing resources, becoming more welcoming, deepening the worship experience and engaging the local community.

Many exciting things are happening on the Church’s universal, national, and local levels. Often, we think the Church doesn’t change. But in these three examples, we see the Spirit is still alive and at work in the Church, calling her people to listen, to walk with, and to allow Jesus to change us from within, so His love will be externally shared with those around us.

# Vision 2025: Our Five-Year Strategic Plan

## An Implementation Update

Vision 2025, our five-year strategic plan, is the culmination of a nearly two-year strategic planning process by Holy Name Cathedral begun in 2018. The plan defines our vision, mission and value statement (see graphic to the right) to guide us with clear goals and tactics for building and nurturing a thriving, vibrant Faith Community.

Initially presented to our Faith Community in the fall of 2020, Vision 2025 relies on the inspiration and guidance of the Holy Spirit. The leaders of this strategic planning effort (the Strategic Planning Board, led by parishioner, Cheri McEssy) sought and received input from parishioners, parish staff, lay and ordained members of the Archdiocese of Chicago, and visitors through surveys, focus group discussions, interviews, and a planning retreat. Their candid, wide-ranging input facilitated the creation of a plan that addresses HNC's strengths, challenges, and opportunities as both a parish and seat of the Archdiocese of Chicago.

Emerging from the pandemic, we are fully engaged in implementing Vision 2025. Our strategic plan is organized into seven key areas or 'Pillars,' each focusing on a critical priority for the

Cathedral. The Pillars are:

- Worship
- Evangelization
- Service
- Stewardship – Way of Life
- Stewardship – Building & Maintenance
- Seat of the Archdiocese
- Communications (Cross-Pillar)

A dedicated Cathedral staff member leads the work to achieve the plan's goals for each of these Pillars. Their work is supported by a Pillar Advisory Council (PAC) with lay leaders who provide counsel and

oversight for implementing the Pillar's plans, including crucial milestone checkpoints.

Over the upcoming weeks, we will share the goals, key tactics, and progress that each of our Strategic Pillars has made since launching our five-year plan.

And the recent Parish Survey (aka the Disciple Maker Index) will be utilized by our Pillar Advisory Councils as well as the Parish Pastoral Council, the Strategic Planning Oversight Council, and the Finance Council to make adjustments and identify new opportunities for us to implement our Vision fully.

## HNC Summer Salon

### Join us for our Summer Salon: “Unorthodox Iconographers: Artistic Individualism in the Wider Faith Community.”

**Saturday, July 29, 2023, 2:00pm to 4:00pm**

In the 18th and 19th centuries, philosophy, science, and art revolutions took Europe by storm. The Enlightenment was marching forward and large groups of regular people were interested in the new developments. Gatherings called Salons opened in bars and homes where experts and artisans were connected with everyday folks to discuss the issues of their time.

Holy Name Cathedral will present its twist on this tradition. Join us at our own Salon, as we explore the new and fascinating ways Catholicism is continuing to contribute to the human endeavor, and bring about the greater glory of God. This series is hosted by James Keene from Holy Name Cathedral's Evangelization group.

In July, Joe Malham, visual artist and iconographer will speak about “Unorthodox Iconographers: Artistic Individualism in the Wider Faith Community.” The life of the artist is well known to be peculiar, encompassing demands that most people find unusual in the pursuit of craft and creativity. Catholic artists especially find themselves confronted with not only the burdens of producing meaningful works, but also living in community with others in the Faith. To explore this unique vocation, Joe Malham will lead a discussion on his journey in the quest for aesthetic excellence.

**Coming in August:** Deacon David Keene, anthropologist and Chancellor of the Archdiocese of Chicago, speaking on “In Service of the Living: the Recovery of Human Remains for the Canonization of Saints” on August 26.

Joe Malham, visual artist and iconographer, will come speak on July 29 at Holy Name Cathedral.

## Filling Your Spiritual Backpack: Camino de Santiago

**THIS WEEKEND — Sunday, July 16; after 5:15pm Mass, in the Parish Center Club Room**

This medieval pilgrimage encompasses 750 km on the Spanish terrain, ending at the Cathedral Basilica of Santiago Compostela in Galicia. Before departing on the trek, pilgrims are asked two questions: Why are you doing this? Are you doing this alone? Newly initiated Catholic Robert Larson shares his experience of the Way of St. James: the people he encountered, the quiet time, and how the journey led him becoming a Catholic. No advance registration required.

*"The kingdom of heaven may be likened to a man who sowed good seed in his field" — Matthew 13:24.*  
Are we still sowing good seeds during the ordinary season with our creative ordinary ways?

# School Supplies Drive

Aug. 19-20, Before and After all Masses

We are planning this year’s School Supplies Drive. We will need your help! We are looking for volunteers to donate your time and passion to help us during our six Masses — just 15 minutes before and after Mass. We also need

volunteers to help us sort the donated supplies and pack them up so we can deliver them to teachers and students. Please scan the QR code if you are interested!

# Blessings in a Backpack on Break for Summer

Our Blessings in a Backpack program at Holy Name Cathedral helps mitigate the problem of childhood food insecurity by providing food for the weekend.

The program goes on hiatus during the summer months, but we will be back in September when the school year resumes. Once again we will be serving the students of St Thomas of Canterbury School in Edgewater.

If you’d like to get involved, please scan the QR code and we’ll get you more information about packing food bags starting this fall. Also, we are especially looking for volunteers to help drive and deliver to the school.

# A Great Way to Help the Hungry! Chicago Shares on Sale This Weekend

Since the founding of Chicago Shares in 1993, more than one million food vouchers have been distributed. Chicago Shares will be available for purchase in the Cathedral vestibule on Sunday, June 18 before and after the 8:30am and 10:30am Masses.

Chicago Shares vouchers, sold in \$5 booklets of five \$1.00 vouchers, are a safe and convenient way to give one-to-one help to needy people you may encounter on the street. These vouchers are a respectful alternative to “throwing coins in a cup.” The vouchers can be used for food and necessities at area Jewel-Osco stores as well as at a nearby Subway shop – never for alcohol or tobacco.

Here’s how one regular buyer explains it: “Giving Chicago Shares is like lighting a candle. It’s a very small thing, but every ray of light is a good thing.” May the work of this organization continue for another 30 years and beyond!

We are looking for volunteers to help us on the third Sunday of the month. Scan the QR code to sign up.

## The Daughters of Divine Love

### Second Collection July 22 and 23

Each summer the Global Mission Office of the Archdiocese of Chicago facilitates the Mission Cooperation Plan, an opportunity for missionaries to share their stories and invite support from our faith communities.

On July 22 and July 23, Holy Name Cathedral will host a representative to speak about the important work being done by the Daughters of Divine Love. Founded in Nigeria in 1969, the Daughters of Divine Love has over 900 professed members serving in many areas including Africa, Europe, the Caribbean, and the United States. Sisters minister primarily in the areas of education and counseling, healthcare services, faith formation and pastoral assistance.

Some of their highest priorities include building housing for the homeless, providing food and clothing to those in need, advocating for access to clean drinking water, and securing medical equipment for hospitals. Please join us in welcoming the Daughters of Divine Love. Thank you for your support.

### Stewardship Reflection

## Trusting in the Master Gardener

In today's Gospel from Matthew, our Lord shares the Parable of the Sower who scatters seeds on many different kinds of land. This

is a wonderful analogy for the stewardship way of life, demonstrating the slow and steady, yet powerful effect this lifestyle will have on those who fully embrace it.

In this parable, some of the seeds land on a path where birds carry them off before they can begin to take root. Other seeds land on rocky ground with little soil. As soon as things begin to heat up, they get scorched and die. Then there are seeds that land on soil cluttered with thorns which choke the seeds just as they are beginning to grow strong.

Finally, there are seeds that land on deep and healthy soil. These seeds produce abundant fruit.

This is where the stewardship way of life comes in. When we give the best of our time, talent and treasure to serve God and others, we create lives filled with that rare "good soil" needed for the Kingdom of God to thrive.

How does this happen? Stewardship living removes the "rocks" of mistrust from our lives as we develop an unshakeable faith that God will always provide for our needs. It clears away the "thorns" of worldly ambition that make us self-centered, fill us with needless anxiety and stifle our focus on God. Stewardship living requires a deep reliance on the Word of God and the sacraments which continuously nourish and fertilize the soil of our lives.

Let us deepen our commitment to this way of life, allowing the Sower to do His work in us, slowly and steadily. The Master Gardener will surely produce miraculous fruits through us.

Holy Spirit, you who makes me see everything and shows me the way to reach my ideal, you who gives me the Divine gift to forgive and forget all the wrong that is done to me and you, who are in all instances of my life with me. I, in this short dialogue, I want to thank you for everything, and affirm once more that I never want to be separated from you, no matter how great the material desires might be. I want to be with you and my loved ones in your perpetual glory. To that end and submitting to God's Holy will, I ask from you... (Mention your Request) Amen.  
Say this prayer for 3 consecutive days.

Oh most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven, Blessed Mother of the Son of God. Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me here you are my mother. Oh Holy Mary, Mother of God, queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me into my necessity. (Make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Holy Mary, I place this cause in your hand (three times).  
Say this Prayer for 3 consecutive days.
