Message from the Rector

Dear People of God,

We celebrate this weekend the Feast of Christ the King. We give thanks for Jesus Christ who is servant and asks us to serve others in His Name. The Feast of Christ the King (which also ends our liturgical year) connects with giving thanks for all we have received.

Thanksgiving Day 2018 was celebrated last Thursday. We have so much to be thankful for despite our fears, concerns and worries, especially with issues regarding gun violence, abuse scandal, poverty, abortion and raging fires to name just a few.

It is so easy to focus on what we do not have that we sometimes forget the wonderful gifts we have been blessed with from God. I have also come to realize that we need to appreciate **NOW** all God's gifts, instead of longing for the future day when we'll be happy and everything will be in place. By the way, happiness is an inside job which begins in the present moment.

It is obvious the days are growing darker and the north winds are starting to howl. We can choose to wake up these cold mornings by exclaiming "Good God, morning!" or "Good morning, God!" The choice of attitude belongs to me alone.

What do I find myself counting in life? May we "count on" learning from children and give thanks for we are never too old to learn and carry an attitude of gratitude . . . Keep reading . . .

Big Mud Puddles and Sunny Yellow Dandelions

When I look at a patch of dandelions, I see a bunch of weeds that are going to take over my yard. My kids see someone smiling at them and they smile back.

When I hear music I love, I know I can't carry a tune and don't have much rhythm so I sit self-consciously and listen. My kids feel the beat and move to it. They sing out the words. If they don't know them, they make up their own.

When I feel wind on my face, I brace myself against it. I feel it messing up my hair and pulling me back when I walk. My kids close their eyes, spread their arms and fly with it, until they fall to the ground laughing.

When I pray, I say thee and thou and grant me this, give me that. My kids say, "Hi God!" Thanks for my toys and my friends. Please keep the bad dreams away tonight. Sorry I don't want to go to Heaven yet. I would miss my Mommy and Daddy.

When I see a mud puddle I step around it. I see muddy shoes and dirty carpets. My kids sit in it. They see dams to build, rivers to cross, and worms to play with.

I wonder if we are given kids to teach or learn from. No wonder God loves the little children!

Enjoy the little things in life, for one day you may look back and realize they were the big things! I wish you Big Mud Puddles and Sunny Yellow Dandelions!!!

Life is not measured by the number of breaths we take, but by the moments that take our breath away.

I give thanks to God for the gift of all of you. Your love, generosity and joy have blessed and enriched my life.

Walking with you,
Fr. Greg

Pope Francis is inviting Catholics throughout the world to pray the rosary every day to ask St. Michael the Archangel to protect the Church from the devil, who is always trying to separate us from God and from each other. The prayer to St. Michael was composed by Pope Leo XIII.

St. Michael the Archangel, defend us in battle, be our protection against the wickedness and snares of the devil; may God rebuke him, we humbly pray; and do thou, O Prince of the heavenly host, by the power of God, cast into hell Satan and all the evil spirits who prowl through the world seeking the ruin of souls. Amen

Let all the World in every corner sing, My God and King.
The heavens are not too high, His praise may thither fly:
The earth is not too low, His praises there may grow. Let

all the World in every corner sing, My God and King.

OPLATKI

Oplatki Christmas Wafers are a wonderful Christmas Eve tradition celebrated in Poland and other Slav countries. The entire family will gather around the table with the Oplatek. Generally the eldest member of the family will begin the ritual by breaking off a piece of the wafer and passing it to another family member with a blessing. This blessing can simply consist of what you desire for your loved one in the upcoming year – whether it be good health, success, or happiness. The purpose of this act is primarily to express ones unconditional love and forgiveness for each member of his or her family.

The significance of the Oplatki Christmas wafer is that it shadows the Eucharistic meal Catholics participate in at each Mass. Just as we share in the Eucharist as one family in Christ and receive Christ's love through the Eucharist, the Oplatki allows for one's immediate family to come together and share the love they have for one another.

The Oplatki tradition is one that is easy, fun, and deeply meaningful to introduce to the family anytime during the long Christmas season. All it requires is a simple wafer paired with love and affection, and the willingness to share it. This is a heartwarming tradition that will complete your family's time together during the Christmas season.

Oplatki are available to purchase in the rectory.

BOOST YOUR BELIEFS

Script and Scripture: Hollywood's Catechism and the Catholic Faith

Are screenwriters theologians? Are film directors catechists? Whether they see themselves this way or not, they are sending a message, and when we watch their movies and shows, we are sitting at their feet, submitting ourselves to their "teachings." How can we enjoy fictional stories without absorbing subtle messages that may contradict our faith? How can we use movies and TV as tools of evangelization? The answer to both of these questions is the same: Talk about it!

Dr. Jim Papandrea is a Professor of Church History and Historical Theology at Garrett-Evangelical Seminary, Northwestern University. He is a member of the Society of Biblical Literature, North American Patristic Society, and the Catholic Association of Music

HEALING THE WOUNDED SOUL

In her discussion with 28 persons, November 1, Vicki Thorn shared key points on post abortion healing, including:

- Approximately 75% of women are pressured into having an abortion.
- The loss of abortion impacts not just women, but men and extended family and friends.
- Given the extensive wounds from abortion, her overall message was to engage with love and listening in order to lead people to healing. Only this approach will change hearts.

Human Concerns

Christmas is 4 weeks away!

As we joyfully give birthday gifts to people we love, it is natural for us to give the Lord a birthday gift. And one of the gifts of the Lord appreciates the most is to care for people in need. So here are some suggestions:

Warm Gloves Needed

This is the time of year when we look to our lives and realize how grateful we are to God for his many blessings. We have a way for you to express your gratitude by an act of generosity on your part.

Many people who spend a great deal of time outside do not have warm gloves or a way to buy them.

Holy Name is seeking to collect 250 pairs of warm winter glove (mostly men) to be given out at the Thursday and Friday Suppers near the Feast of St. Nicholas in early December.

Please bring your gloves to the Rectory by Sunday, November 25.

We still need 65 pairs of gloves.

Gifts for the person who has everything

Looking for something different as a Christmas gift? Consider a donation to our *Thursday-Friday Suppers* in the name of a family member who has everything or a friend who is hard to shop for or a co-worker. A letter of announcement is mailed to the honoree and a letter of acknowledgment to the donor.

WESTERN CIVILIZATION: THE HOW AND THE WHY

SUNDAY, DECEMBER 2; 2-4 PM
PARISH CENTER CAFETERIA

Speaker: BRUCE LESPINASSE

Parishioner Bruce Lespinasse holds a B.A. in history & philosophy from Loyola University, Chicago. He taught high school history for several years and has given many lectures locally on film study. An active member of ACT II, he is presently focused on Adult Education endeavors such as this program.

In this presentation Bruce addresses the question, "Has philosophy determined the tides of history, or was it the other way around?"

To this end, he will examine three "Theories" from the field of the philosophy of history:

- 1) "Nothing New Under the Sun" Theory: human nature is unchanging and history is always repeating itself.
- 2) "Great Man" Theory: history is "made" by certain individuals who rise up to dominate their times.
- 3) "Seminal Event" Theory: all of history was moving towards a certain seminal event that can, in perspective, be identified.

Which "theory" do you think "determined" Western Civilization? Join Bruce in his journey as he hopes to persuade you to concur with HIS conclusion. Be prepared to have your concept of history challenged.

Holy Name Cathedral Crucifixes

Perhaps the most striking feature of the Cathedral, the Resurrection Crucifix, created by artist Ivo Demetz, in 1969, is a powerful interpretation of this universal sign of Christianity. The wooden Cross depicts Christ as he is today and always - not a figure in agony, but the risen and triumphant Lord who died for our salvation.

You can own an 8 inch replica to display in your home or give as gifts. Donation is \$20.00 each.

Crucifixes are available in the rectory office or fill out and mail the form found on our website.

- Pope Francis
