## Message from the Rector

Dear People of God,

The cold January winds and snow remind us that spring is still off in the distance. The winds howl and we long for warmer days and bright sunshine. The same image can be applied to our lives. At times, our hearts are restless and the waters of our life are choppy. The winds howl and we wonder if we will ever find joy and light at the end of the tunnel. We also go through times in our life when the waters and wind of life are calm. Both in the turbulent times and calm days of our journey the Lord Jesus is with us. Are we open to His presence?

The following story is a keeper! Read . . . . . Reflect . . . . . and pass it on. . . .

### Can You Sleep While the Wind Blows?

Years ago, a farmer owned land along the Atlantic seacoast. He constantly advertised for hired hands. Most people were reluctant to work on farms along the Atlantic. They dreaded the awful storms that raged across the Atlantic, wreaking havoc on the buildings and crops.

As the farmer interviewed applicants for the job, he received a steady stream of refusals. Finally, a short, thin man, well past middle age, approached the farmer. "Are you a good farm hand?" the farmer asked him. "Well, I can sleep when the wind blows," answered the little man. Although puzzled by this answer, the farmer, desperate for help, hired him.

The little man worked well around the farm, busy from dawn to dusk, and the farmer felt satisfied with the man's work.

Then one night the wind howled loudly in from offshore. Jumping out of bed, the farmer grabbed a lantern and rushed next door to the hired hand's sleeping quarters. He shook the little man and yelled, "Get up! A storm is coming! Tie things down before they blow away!" The little man rolled over in bed and said firmly, "No sir. I told you, I can sleep when the wind blows."

Enraged by the response, the farmer was tempted to fire him on the spot. Instead, he hurried outside to prepare for the storm. To his amazement, he discovered that all the haystacks had been covered with tarpaulins. The cows were in the barn, the chickens were in the coops, and the doors were barred. The shutters were tightly secured. Everything was tied down. Nothing could blow away. The farmer then understood what his hired hand meant, so he returned to his bed to also sleep while the wind blew.

Can we sleep when the wind blows through our life and the waters of life are choppy and turbulent? We secure ourselves against the storms of life by grounding ourselves in God. We may not have all the answers, but are we able to trust, surrender and let the hand of God touch us with His peace during the storms of our lives? In the arms of God sleep well when the wind blows!

On the lighter side, enjoy some of the wit and wisdom of Will Rogers. Laughter is wonderful medicine these cold and dreary days of January.

- Never miss a good chance to shut up.
- If you find yourself in a hole, stop digging.
- The quickest way to double your money is to fold it and put it back in your pocket.
- Good judgment comes from experience, and a lot of that comes from bad judgment.
- If you're riding ahead of the herd, take a look back every now and then to make sure it's still there.
- Lettin' the cat out of the bag is a whole lot easier 'n puttin' it back.
- Eventually you will reach a point when you stop lying about your age and start bragging about it.
- The older we get, the fewer things seems worth waiting in line for.
- Some people try to turn back their odometers. Not me. I want people to know WHY I look this way.
- I've traveled a long way and some of the roads weren't paved.
- When you are dissatisfied and would like to go back to your youth, think of Algebra.
- Long ago when men cursed and beat the ground with sticks, it was called witchcraft. Today it's called golf.

Keep smiling,  
Fr. Greg

P.S. Today we begin Catholic Schools Week in the Archdiocese of Chicago. We are very proud of Frances Xavier Warde School! Pope Francis is inviting Catholics throughout the world to pray the rosary every day to ask St. Michael the Archangel to protect the Church from the devil, who is always trying to separate us from God and from each other. The prayer to St. Michael was composed by Pope Leo XIII.

*St. Michael the Archangel, defend us in battle, be our protection against the wickedness and snares of the devil; may God rebuke him, we humbly pray; and do thou, O Prince of the heavenly host, by the power of God, cast into hell Satan and all the evil spirits who prowl through the world seeking the ruin of souls. Amen*

There will be a Holy Hour before the Blessed Sacrament EVERY WEDNESDAY in the Chapel beginning at 6:15 p.m. to support the victims/survivors of sexual abuse and to invoke the Holy Spirit to inspire and guide the Bishops of the world in addressing this scandal in our Church. Please join us in this prayer for wisdom and courage.

**A PRAYER FOR “RENEW MY CHURCH”**

Lord Jesus, you speak to us today, as you spoke to holy men and women who have gone before us. In every age and in our own time, you call to us and say: Renew My Church. Pour out the gift of your Holy Spirit upon us, and so enable us:

- to hear you clearly
- to listen to each other attentively
- to imagine our future boldly
- to discern your direction wisely
- to persevere in your holy will courageously
- to stay together in charity
- to surrender our own plans readily
- to embrace the greater good
- to hand on your gifts to future generations.

May we remain in the holy company of the Blessed Virgin Mary, the apostles, and all the saints. May their example and presence inspire us with patient confidence in the work of your grace. We ask this of you who live and reign with the Father in the unity of the Holy Spirit, one God, forever and ever. Amen

**BOOST YOUR BELIEFS:**

***Forgiving is a Way to Stop Hurting***

**By the Very Rev. Greg Sakowicz**

Life is difficult. Life is a mystery to be lived and not a problem to be solved.

We all seek forgiveness. We all need to forgive others at times in our lives. Forgiving is never easy. Cardinal Cupich says it best: “Forgiving doesn’t change the past it changes the future.” God loves us and forgives us always. We have to learn to forgive others and to forgive ourselves. We need to continually love this world back into life.

**Thursday, February 21**

**Parish Center Club Room, 6:30 p.m.**

The Very Reverend Greg Sakowicz is Rector of Holy Name Cathedral. He will celebrate 40 years of priesthood in May. He has served as Pastor of both St. Mary of the Woods

Parish in Chicago and St. Mary’s in Evanston. Fr. Greg is also currently a radio host broadcaster of Catholic Chicago, WNDZ-750 AM every Monday and Thursday morning at 8:00 AM.

**BIBLE STUDY**

Have you ever wanted to share insights, questions, or learn more about the Scripture proclaimed at Sunday Mass? Join the

weekly Bible Study and be enriched within a communal discussion and prayer.

**Wednesday evenings**

**6:30– 8 p.m. - Parish Center Club Room**

**ADULT CONFIRMATION**

webpage for more information and registration:

**<https://holynamcathedral.org/liturgy/sacraments/confirmation/>**

If you are seeking Confirmation and Eucharist, the RCIA is the appropriate preparation.

**RCIA SPIRITUAL SPONSOR**

What is a sponsor?

- A Catholic who serves as a spiritual mentor for one seeking to become Catholic
- One who shares insight of their own faith experience with their protégé
- One who prays for their protégé, and instills the power of prayer
- Be present with on Sunday mornings, and rites for their protégé

You don’t have to be a theologian to be a sponsor, just the desire to accompany the other in this journey of faith. Contact Dr. Ortega for more information.

**PILGRIMAGE REUNION**

There is a reunion for those who participated in the April 2019 Holy Land pilgrimage on Thursday, January 31. We begin with a private Mass in the Cathedral chapel at 6 p.m. followed by a reception. There will likely be no shawarma or falafel.

## *A New Journey Begins . . .*

Dear People of God,

As we leave our Christmas celebration of the birth of Jesus and beautiful holidays with family and friends behind, we turn to the new year ahead. Our many ministries and Staff are busy creating an exciting mix of spiritual, service, and social programs for this year to support your journey as a Disciple of Christ.

One significant change for 2019 will be a new parking plan for the Cathedral. As you know, the current parking lot will become the construction site of One Chicago Square (OCS). The complex will bring a new mix of residential units, grocery and other retail stores, restaurant and banquet facilities, as well as a cutting-edge fitness center. Go to <https://onechicagosquare.com/> to read more about the OCS complex and amenities.

Holy Name Cathedral's new permanent parking lot will reside on the first two lower floors in a secure and weather-protected parking area, expanding our spaces by 18% from 190 to 225 spaces. And the good news is we will not have to wait for the full completion of the construction to move into our new permanent parking lot.

We expect construction to start around mid-March.

As you can imagine, a construction project of this magnitude is going to take time. So that leaves the obvious question - where do we park while the construction of the new complex, including our new parking lot, is underway?

The interim parking plan will offer a variety of options utilizing two nearby public parking lots on Superior/State Streets and Huron Street between Wabash and State as well as *weekend* parking at the Loyola University lot on Chicago Avenue between State and Dearborn. Loyola University has been a good neighbor and friend to Holy Name Cathedral over the years and making these parking spaces available to us for the duration of the construction is another sign of their support.

Change is hard. The blessings of decades of free, convenient parking is truly a rare commodity in the city. The good news is you will enjoy free, 2-hour validated parking while attending weekend Mass, your ministries, and our many programs at the Cathedral at the local lots above. The Archdiocese of Chicago is finalizing the complete interim parking plan in coordination with our team at the Cathedral. We will communicate the detailed logistics of parking and validation as soon as they are ready.

I truly appreciate your patience and cooperation over the coming months as we adjust to our temporary situation during construction of OCS. Our team will keep you updated as we move through the early weeks of the construction project and as key milestones are achieved. Be sure to follow Holy Name Cathedral on Twitter, Facebook, and Instagram to get the latest news on Cathedral parking. If you are not receiving our Cathedral emails, you can sign up by sending an email to Dawn Swanson at [dswanson@holynamecathedral.org](mailto:dswanson@holynamecathedral.org).

Please pray for this project as it gets underway and we move to our interim parking plan.

On this journey with you,

Fr. Greg
