Message from the Rector

Dear People of God,

Some years ago, Bill Gates gave this speech to Mt. Whitney High School in Visalia, California. Wonderful words of wisdom anytime of year—including this bitter cold time in Chicago! Agree or disagree . . . think about it and pass it on

Rule 1: Life is not fair - get used to it.

Rule 2: The world won't care about your self-esteem. The world will expect you to accomplish something BEFORE you feel good about yourself.

Rule 3: You will NOT make \$40,000 a year right out of high school. You won't be a vice-president with a car phone until you earn both.

Rule 4: If you think your teacher is tough, wait till you get a boss.

Rule 5: Flipping burgers is not beneath your dignity. Your grandparents had a different word for burger flipping - they called it opportunity.

Rule 6: If you mess up, it's not your parents' fault, so don't whine about your mistakes, learn from them.

Rule 7: Before you were born, your parents weren't as boring as they are now, they got that way from paying your bills, cleaning your clothes and listening to you talk about how cool you are. So before you save the rain forest from the parasites of your parents' generation, try delousing the closet in your own room.

Rule 8: Your school may have done away with winners and losers, but life has not. In some schools, they have abolished failing grades and they'll give you as many times as you want to get the right answer. This doesn't bear the slightest resemblance to ANYTHING in real life.

Rule 9: Life is not divided into semesters. You don't get summers off and very few employers are interested in helping you find yourself. Do that on your own time.

Rule 10: Television is NOT real life. In real life people actually have to leave the coffee shop and go to jobs.

Rule 11: Be nice to nerds. Chances are you'll end up working for one.

At the same time, we are called to love this world back into life with our lives rooted in the Lord Jesus. Lives rooted in prayer and grounded in faith. Also, may we never lost perspective Keep reading

One Sunday a church with a large congregation invited a guest priest to offer the mass and to preach. When he got up to preach he said, "There are three points to my homily." Some people yawned when they heard this. They heard this many times before and figured they would be quite bored by the time he finally got to the end of point three.

"My first point is this: Today there are about two billion people who are starving in our world because of lack of food." The reaction in the pews was much the same, since they had heard that kind of statement many times before.

"My second point," he said. People sat up and started to listen. He was already on the second point. "My second point is that most of you don't give a damn!" The priest paused for a moment as gasps and rumblings flowed through the congregation.

"My third point is that the real tragedy among Christians today is that many of you are now more concerned that I said 'damn' than you are that I said two billion people are starving to death." He then left the pulpit and sat down.

The whole homily took less than a minute. It is in many ways one of the most powerful homilies ever given. The preacher was reminding us we are not being called by Jesus to only piety, but to genuine morality. We are being called to action, not to fancy words.

Christianity is about what you practice, not just about you profess.

On the journey with you,
Fr. Greg

Pope Francis is inviting Catholics throughout the world to pray the rosary every day to ask St. Michael the Archangel to protect the Church from the devil, who is always trying to separate us from God and from each other. The prayer to St. Michael was composed by Pope Leo XIII.

St. Michael the Archangel, defend us in battle, be our protection against the wickedness and snares of the devil; may God rebuke him, we humbly pray; and do thou, O Prince of the heavenly host, by the power of God, cast into hell Satan and all the evil spirits who prowl through the world seeking the ruin of souls. Amen

There will be a Holy Hour before the Blessed Sacrament EVERY WEDNESDAY in the Chapel beginning at 6:15 p.m. to support the victims/survivors of sexual abuse and to invoke the Holy Spirit to inspire and guide the Bishops of the world in addressing this scandal in our Church. Please join us in this prayer for wisdom and courage.

Do you want others to pray for you and your intentions?

There are over 70 Ministers of Praise in our parish who pray for the intentions of those who request prayers. Our Prayer Request line is 312-573-4493 and is available 24 hours a day. We will add our prayers to yours.

We are looking for new committee members to help collect prayers and design the materials for our monthly mailings to our Ministers of Praise. Want to help? Email Lori Doyle at ldoyle@holynamecathedral.org

A PRAYER FOR “RENEW MY CHURCH”

Lord Jesus, you speak to us today, as you spoke to holy men and women who have gone before us. In every age and in our own time, you call to us and say: Renew My Church. Pour out the gift of your Holy Spirit upon us, and so enable us:

- to hear you clearly
- to listen to each other attentively
- to imagine our future boldly
- to discern your direction wisely
- to persevere in your holy will courageously
- to stay together in charity
- to surrender our own plans readily
- to embrace the greater good
- to hand on your gifts to future generations.

May we remain in the holy company of the Blessed Virgin Mary, the apostles, and all the saints. May their example and presence inspire us with patient confidence in the work of your grace. We ask this of you who live and reign with the Father in the unity of the Holy Spirit, one God, forever and ever. Amen

BOOST YOUR BELIEFS:

Forgiving is a Way to Stop Hurting

By the Very Rev. Greg Sakowicz

Life is difficult. Life is a mystery to be lived and not a problem to be solved.

We all seek forgiveness. We all need to forgive others at times in our lives. Forgiving is never easy. Cardinal Cupich says it best: “Forgiving doesn’t change the past, it changes the future.” God loves us and forgives us always. We have to learn to forgive others and to forgive ourselves. We need to continually love this world back into life.

Thursday, February 21

Parish Center Club Room, 6:30 p.m.

The Very Reverend Greg Sakowicz is Rector of Holy Name Cathedral. He will celebrate 40 years of priesthood in May. He has served as Pastor of both St. Mary of the Woods

Parish in Chicago and St. Mary’s Parish in Evanston. Fr. Greg is also currently a radio host broadcaster of Catholic Chicago, WNDZ-750 AM every Monday and Thursday morning at 8:00 AM.

A New Journey Begins . . .

Dear People of God,

As we leave our Christmas celebration of the birth of Jesus and beautiful holidays with family and friends behind, we turn to the new year ahead. Our many ministries and Staff are busy creating an exciting mix of spiritual, service, and social programs for this year to support your journey as a Disciple of Christ.

One significant change for 2019 will be a new parking plan for the Cathedral. As you know, the current parking lot will become the construction site of One Chicago Square (OCS). The complex will bring a new mix of residential units, grocery and other retail stores, restaurant and banquet facilities, as well as a cutting-edge fitness center. Go to <https://onechicagosquare.com/> to read more about the OCS complex and amenities.

Holy Name Cathedral's new permanent parking lot will reside on the first two lower floors in a secure and weather-protected parking area, expanding our spaces by 18% from 190 to 225 spaces. And the good news is we will not have to wait for the full completion of the construction to move into our new permanent parking lot.

The Archdiocese expects construction to start on **Thursday, March 7**, the day after Ash Wednesday. We will advise you of any changes. Bookmark this webpage for the latest details about Interim Parking during construction of the OCS complex: <https://tinyurl.com/HNCparking>

As you can imagine, a construction project of this magnitude is going to take time. So that leaves the obvious question - where do we park while the construction of the new complex, including our new parking lot, is underway?

The interim parking plan will offer a variety of options utilizing two nearby public parking lots on Superior/State Streets and Huron Street between Wabash and State as well as *weekend* parking at the Loyola University lot on Chicago Avenue between State and Dearborn. Loyola University has been a good neighbor and friend to Holy Name Cathedral over the years and making these parking spaces available to us for the duration of the construction is another sign of their support.

Change is hard. The blessings of decades of free, convenient parking is truly a rare commodity in the city. The good news is you will enjoy free, 2-hour validated parking while attending weekend Mass, your ministries, and our many programs at the Cathedral at the local lots above. The Archdiocese of Chicago is finalizing the complete interim parking plan in coordination with our team at the Cathedral. We will communicate the detailed logistics of parking and validation as soon as they are ready.

I truly appreciate your patience and cooperation over the coming months as we adjust to our temporary situation during construction of OCS. Our team will keep you updated as we move through the early weeks of the construction project and as key milestones are achieved. Be sure to follow Holy Name Cathedral on Twitter, Facebook, and Instagram to get the latest news on Cathedral parking. If you are not receiving our Cathedral emails, you can sign up by sending an email to Dawn Swanson at dswanson@holynamecathedral.org.

Please pray for this project as it gets underway and we move to our interim parking plan.

On this journey with you,

Fr. Greg
