## Message from the Rector

I give thanks to God for all of you, for last weekend I celebrated my 40<sup>th</sup> Anniversary to the Priesthood! What a marvelous celebration! God has truly blessed my life through your love, kindness, affirmation, faith, friendship and humor over the years. I have been blessed and loved in ways over the last 40 years I never imagined during my seminary days in the 1970's. There are so many to thank, which would be an impossible task in one writing. However, there is one individual who does deserve special honor and attention this day. The love and care of my family has been extraordinary over the years, but our Mother has been the glue of the Sakowicz Clan.

All vocation studies indicate that the profound love and faith of a Mother is a catalyst for any priestly vocation. It would certainly be true in my journey to the priesthood. My Mother has a deep faith and trust in God which she passed on to her children more in action than by word. So on this Mother's Day I would like to offer my Mother—the greatest Mom in the world and now 96 years young—a Blessed and Happy Mother's Day! I love you, Mom, and I share my 40<sup>th</sup> Anniversary to the Priesthood with you, the entire family, HNC Faith Community and all who have touched my life.

I would like to share with you a beautiful Mother's Day reflection. Read . . . and pass it on . . .

### The Angel

A child was ready to be born. The child asked God. "I know You are sending me to earth tomorrow, but how can I survive there? I am so small and helpless."

God replied, "I have chosen a special angel for you there. She will love you and take care of you."

"Your angel will also sing for you, and she will teach you how to sing, too. And you'll learn to laugh as well as smile. Your angel and I will take care of that."

"But how will I understand what people say to me? I don't know a single word of the language they speak!"

"Your angel will say the sweetest things you will ever hear, and she will teach you, word by word, how to speak the language."

"And when I want to talk to You . . . ?"

"Your angel will gently place your little hands together and teach you how. That's the simplest language of all. It's called prayer."

"Who will protect me there, God?"

"Your angel is soft and gentle, but if something threatens you, there is no stronger force on earth than the power she'll use to defend you."

"I'll be sad not getting to see You anymore."

"I will always be next to you, even though you can't see Me. And your angel will teach you the way to come back to Me if you stray."

Then it was time to go. Excited voices could be heard from earth, anticipating the child's arrival. In a hurry, the babe asked softly, "Oh, God, I must go now, please tell me my angel's name!"

And God replied, "You will call your angel . . . . Mommy."

God's Blessings to all women who love in a motherly way! And a Blessed and Happy Mother's Day!

By the way, I once asked my Mother: "What is your definition of motherhood?" Mom looked at me and said, "A willingness to be inconvenienced." All I can add is—Amen!

With joy and gratitude,

Fr. Greg

Pope Francis is inviting Catholics throughout the world to pray the rosary every day to ask St. Michael the Archangel to protect the Church from the devil, who is always trying to separate us from God and from each other. The prayer to St. Michael was composed by Pope Leo XIII.

*St. Michael the Archangel, defend us in battle, be our protection against the wickedness and snares of the devil; may God rebuke him, we humbly pray; and do thou, O Prince of the heavenly host, by the power of God, cast into hell Satan and all the evil spirits who prowl through the world seeking the ruin of souls. ### PRAYER TO THE MOTHER OF THE LORD FOR ALL MOTHERS

Mary, on this day when we honor all mothers, we turn to you. We thank the Lord whom you serve for the great gift of motherhood. Never has it been known that anyone who sought your intercession was left unaided by grace. Dear Mother, thank you for your "Yes" to the invitation of the angel which brought heaven to earth and changed human history. You opened yourself to God's word and the Word was made flesh and dwelt among us.

Dear Mother, intercede for all of our mothers. Ask your Divine Son to give them the grace of surrendered love so that they could join with you in giving their own "Fiat." May they find daily strength to say yes to the call to the sacrificial love- the very heart of the vocation of motherhood. May their love and witness be a source of great inspiration for all of us called to follow your Son.

On this Mothers' Day, Mother of the Word Incarnate, pray for us who have recourse to you...

In New York in 1933, Dorothy and a French-born itinerant philosopher Peter Maurin co-founded the Catholic Worker, a living movement responsible for feeding and housing people who are homeless. Known as the Mother of the Peace Movement, Dorothy was jailed numerous times for her beliefs. This one-woman drama focuses on Dorothy's embodiment of the works of mercy and the gratitude with which she lived.

### **This is Your Church - You Are the Church 101**

“You are the Church. You are the Body of Christ” ~ Fr. Greg Sakowicz

We are blessed that Holy Name Cathedral is such a vibrant and active parish in the heart of downtown Chicago. The extent of our engagement as a parish community can be seen in the rich programs and activities conducted throughout the year at the Cathedral.

These programs and activities are largely developed by laity and hosted through the parish’s spiritual, service and social organizations.

In the latter part of 2018, Holy Name Cathedral conducted a survey of parishioners to measure their level of awareness and interest in our current programs, and to gather ideas for new programs or changes to existing programs. Over 350 parishioners completed the survey and we are thankful for the time they devoted to this task.

Holy Name Cathedral staff and the lay leadership of our parish organizations have dedicated time to reviewing the survey results, organizing the ideas offered and prioritizing how best to act upon the survey findings.

Here are a few of the observations that surfaced when reviewing the Parish Survey findings:

**Parishioners are highly satisfied with how well the Cathedral:**

- makes parishioners feel welcome in the parish,
- communicates with parishioners,
- invites parishioners to participate in programs and activities,
- fosters spiritual growth, and
- provides opportunities for parishioners to gather socially.

Parishioners expressed an interest in expanding existing spiritual, social and service programs and activities to make them attractive to families and single professionals. A specific interest was expressed in having more activities that would be attractive to parish members between the ages of 35 – 55.

We will be sharing results and insights from the parish survey here in the bulletin and on our website, including reflections on what it means for us together to be Christ’s church in the world.

We are excited to share the survey findings and how they are being addressed in serving the interests of the parishioners of Holy Name Cathedral.

### Thank you

We, the class of 1965, are honored to celebrate our 55<sup>th</sup> Anniversary of Ordination at Holy Name Cathedral on Monday, May 13 at the 12:10 p.m. Mass. The class of 1965 of the North American College in Rome were ordained in December 1964. Since that time, we have gotten together every 10 years to exchange happy stories of our youth and to pray for the deceased of our class, which numbers one third of those Ordained. We have lost three classmates just this year. We are all turning 80 years old this year, so we decided that the reunion should take place every five years now. Chicago is a favorite location for all our class is spread over the USA. We count Cardinal Cupich as one of our esteemed alumni of the North American College. As we remember our deceased classmates, we pray for more vocations to the priesthood and stand witness to our own 55 years as an example. Thank you for welcoming us to Holy Name Cathedral.

### Weekend Parking at the Cathedral

Thank you to everyone for your cooperation as we transitioned from our old parking lot to the new approach. As it turns out, we have plenty of room in the Loyola University Self-Park Lot so we will be making this our primary lot every weekend. If it is full, the Security guards will give you information on alternative parking lots. The Loyola Lot is located at 20 W. Chicago Avenue, on the north side between State and Dearborn. We appreciate your cooperation.

## Humor from the Rector
