Message from the Rector

Dear Easter People,

May is almost history and summer begins in less than four weeks—Thank God! Usually around this time of year we tell ourselves (or loved ones) all the things we hope to do this summer—including spending more time with family, the need to slow down and pray more often.

I share with you this story, with much food for thought. Pray through this reflection and see how special a gift of life, faith, love, prayer, family and community can truly be despite our struggles, disappointments and sometimes not wanting to give it our best each day!

THE CARPENTER

An elderly carpenter was ready to retire. He told his employer-contractor of his plans to leave the house-building business and live a more leisurely life with his wife, enjoying his extended family. He would miss the paycheck, but he needed to retire. They could get by.

The contractor was sorry to see his good worker go and asked if he could build just one more house as a personal favor. The carpenter said yes, but in time it was easy to see that his heart was not in his work. He resorted to shoddy workmanship and used inferior materials. It was an unfortunate way to end his career.

When the carpenter finished his work and the builder came to inspect the house, the contractor handed the front-door key to the carpenter. "This is your house," he said, "my gift to you."

What a shock! What a shame! If he had only known he was building his own house, he would have done it all so differently. Now he had to live in the home he had built—none too well.

So it is with us. We sometimes build our lives in a certain way, reacting rather than acting, willing to put up less than our best. At important points, we do not give the job our best effort. Then with a shock we look at the situation we have created and find that we are now living in the house we have built. If we had realized that, we would have done it differently. Think of yourself as the carpenter. Think about your house. Each day we hammer a nail, place a board or erect a wall. Build wisely. It is the only life we will ever build. Even if we live it for only one day more, that day deserves to be lived graciously and with dignity.

The plaque on the wall says, "Life is a do-it-yourself project." Who could say it more clearly? Our life today is the result of attitudes and choices in the past. Our life tomorrow will be the result of our attitudes and the choices we make today. May all our choices be rooted in God. May the Lord Jesus be the true carpenter in our life, and may we always "build up" others along the journey.

In peace and joy,
Fr. Greg

P.S. Please consider joining fellow parishioners as we embark on our second annual Day of Service on Saturday, June 15. This year we will help Mission of Our Lady of the Angels Parish and I will share a little history.

Ninety-five people—92 grammar school students and three teaching nuns, died in the fire that rampaged through the second floor of the north wing of the Our Lady of the Angels School near Hamlin and Chicago avenues, on December 1, 1958. I was five years old and remember vividly watching the horror on TV with my Mother.

Today the church is home to the Mission of Our Lady of the Angels, Franciscan Friar of the Renewal Father Bob Lombardo and a young religious community, the Franciscan Sisters of the Eucharist Chicago. They are doing fantastic ministry!

It is easy to help friends or family when they are in need, but it takes a lot of God in your spirit to help someone that you don't know or will ever meet. We hope that you find some time in your heart and spirit to participate in this wonderful event. Please consider joining fellow parishioners. Further details can be found in this bulletin on page 10. You won't regret it!

P.P.S. A Blessed Memorial Day weekend to all. May we remember in prayer all people who gave their life in the cause for freedom and justice.

Pope Francis is inviting Catholics throughout the world to pray the rosary every day to ask St. Michael the Archangel to protect the Church from the devil, who is always trying to separate us from God and from each other. The prayer to St. Michael was composed by Pope Leo XIII.

St. Michael the Archangel, defend us in battle, be our protection against the wickedness and snares of the devil; may God rebuke him, we humbly pray; and do thou, O Prince of the heavenly host, by the power of God, cast into hell Satan and all the evil spirits who prowl through the world seeking the ruin of souls. Amen

FR. MAC'S MEMORIAL DAY MASS

Holy Name Cathedral

Monday, May 27, 2019 - 10:00 am

Monsignor Ignatius McDermott, known as Fr. Mac, was recognized both locally and internationally for ground-breaking programs and solutions in the prevention and treatment of issues concerning alcohol and substance abuse. In 1975 he co-founded Chicago's Haymarket Center whose mission is to help those affected by addiction issues in their recovery. Haymarket continues to grow and develop, following the principles of this humble man.

Fr. Mac began the Memorial Day Mass to recognize with gratitude our brave military who valiantly served their country and also to offer prayers for those past and present who struggle with alcohol and substance abuse. Fr. Mac died December 31, 2004 after 68 years of service. His Mass continues.

Please join us to continue his ministry through his philosophy: "*When you no longer burn with love, others will die of the cold.*" ~ St Vincent De Paul.

2018 Parish Survey - What Do the Results Show?

Key Parish Survey Highlights: Article for HNC Bulletin Series on Survey Results

"Like the deer that yearns for running streams, so my soul is yearning for you, my God" – Psalm 42

Holy Name Cathedral staff and the lay leadership of our parish organizations, have dedicated time to reviewing the feedback offered from the 2018 Parish Survey.

Parishioners who completed the 2018 Parish Survey expressed interest in seeing a sizeable number of the existing spiritual, social and service programs continue.

The observations about parish sponsored programs and activities appeared to express the following interests among parishioners:

- 1) expand knowledge about our Catholic faith and provide opportunities for spiritual reflection (such as, the Boost Your Beliefs lecture series, Theology on Tap for Young Adults, Speakers Forum sponsored by ACT II);
- 2) bring parishioners together in social gatherings which foster community and fellowship as a parish (such as, Coffee in the Courtyard, Lenten Fish Fry) and,
- 3) provide an opportunity to serve individuals in less fortunate circumstances by addressing unmet needs in our community (such as, volunteering for Catholic Charities Suppers, Blessings in a Backpack, the annual clothing drive, and annual school supply drive).

Valuable feedback was collected through the Parish Survey about how current programs and activities could be expanded in order to meet interests of a broader number of parishioners.

Suggestions for new programs or activities to explore include the following:

Spiritual programs: offer programs which bring parishioners together in reflection and conversation, such as, prayer and discussion groups;

Social programs: enliven the existing social program offerings with new ideas/themes for gatherings, such as a dinner featuring the foods of the various ethnic groups represented in the parish; develop new social events which will be of interest to families, single professionals, and parish members in the age group 35 – 55 years;

Service programs: offer service programs that will allow parishioners to address the needs of immigrants and veterans; expand existing activities targeted to the needs of children.

The lay leadership of the Commissions and Councils which organize parish sponsored programs at the Cathedral are embracing the feedback from the 2018 Parish Survey in their planning efforts.

Look to the Bulletin and the Cathedral website for announcements about upcoming programs and activities.

Weekend Parking at the Cathedral

Thank you to everyone for your cooperation as we transitioned from our old parking lot to the new approach. As it turns out, we have plenty of room in the Loyola University Self-Park Lot so we will be making this our primary lot every weekend. If it is full, the Security guards will give you information on alternative parking lots. The Loyola Lot is located at 20 W. Chicago Avenue, on the north side between State and Dearborn. We appreciate your cooperation.
