Message from the Rector

Dear People of God,

As Rector, I always will be transparent about our financial needs at Holy Name. The weekly donations support many missions and ministries while “keeping our doors open” daily to our many local, national and international visitors.

This fiscal year, while “keeping our doors open” we will incur a projected deficit of \$120,000. I worked hard with our Controller and Finance Committee to seek a balanced budget. However, our Sunday collections are not sustaining our budget each year.

My first request is that I need your help. I am asking those who are able to consider a “balance the budget” extraordinary gift to Holy Name Cathedral. Whatever you discern in prayer to do, I will be most appreciative. You have either received a request in the mail or there are envelopes in the back of the Cathedral.

There is a second request. I want to inform you that we are beginning our Strategic Planning process entitled Vision 2025 this year, in anticipation of our 175th Anniversary. As we look to our future as a parish and a Cathedral keeping “our doors wide open” for our parishioners and visitors, please keep us in your prayers. In this process you may be asked to be part of a focus group, complete a survey or be interviewed to seek your opinions and thoughts about Holy Name Cathedral and your hopes for the future. Please be open to these requests.

Thank you for your consideration of these requests and your generous heart.

May God continue to bless you with a deep awareness of His love and mercy in your life.

My prayers are with your entire family. Have a blessed and restful summer.

With profound gratitude,

Fr. Greg

P.S. The generosity of generations of faithful Holy Name parishioners and friends has kept “our doors open” for 170 years.

I have confidence with God’s presence and your generous support we will continue this marvelous mission and outreach for many years to come.

P.S.S. The link to participate in the Strategic Planning survey is on page 9 in this week’s bulletin. Thank you very much.

Pope Francis is inviting Catholics throughout the world to pray the rosary every day to ask St. Michael the Archangel to protect the Church from the devil, who is always trying to separate us from God and from each other. The prayer to St. Michael was composed by Pope Leo XIII.

St. Michael the Archangel, defend us in battle, be our protection against the wickedness and snares of the devil; may God rebuke him, we humbly pray; and do thou, O Prince of the heavenly host, by the power of God, cast into hell Satan and all the evil spirits who prowl through the world seeking the ruin of souls. Amen

Do you want others to pray for you and your intentions?

There are over 70 Ministers of Praise in our parish who pray for the intentions of those who request prayers. Our Prayer Request line is 312-573-4493 and is available 24 hours a day. We will add our prayers to yours.

We are looking for new committee members to help collect prayers and design the materials for our monthly mailings to our Ministers of Praise. Want to help? Email Lori Doyle at ldoyle@holynamecathedral.org

GOD'S PROVIDENCE

Today's readings celebrate God's providence. No matter how wonderful (or heartbreaking) our relationships are, God always provides for us. No one cares for us the way God does.

Isaiah delights us with a deeply intimate image of God caring for us "as a mother comforts her child." The prophet describes us not as the usual "children of God," but as "babies." We should not resist this image, but rejoice in it. Trusting in God's care, we can all let down our guard and rest like infants in the lap of our mother.

Saint Paul's trust in God allows him to be at peace like this. He boldly declares that no one can "make troubles" for him, because he has given himself completely to Jesus. And when Jesus sends his disciples out to preach and heal, he challenges them not to provide for themselves, but to let faith be their guide.

TREASURES FROM OUR TRADITION

It's high summer now, school is out, the pace of work slows, and some people drift away. There are visitors in the churches every summer, and familiar faces are "among the missing." Some find the summer's call more appealing than the summons of the church bells. Many, however, would not dream of missing a Sunday, and so they make their way to Mass in unfamiliar places, watching the locals for clues as to when to sit or stand, where the Communion stations are. In answering the call, they keep the "sabbatical" rhythm of the Christian life: every seventh day, the Body of Christ assembles for worship.

For centuries, there was no obligation to Sunday Mass in the sense of a written law, but Christians have always yearned to be together on Sunday. In the city of Abitina, during a persecution by the Emperor Diocletian, a group of Christians were urged to stop worshipping together on Sundays. They responded, "Then take our lives, for without the Sunday we cannot live." By a curious coincidence, the appointed readings today center us on thoughts of peace. On our Independence Day, the experience of worship situated us in community, and evoked a commitment from us to be advocates of peace in all aspects of our society's life

QUESTION OF THE WEEK

How can I share Christ's peace with others? How can I respond when it is not reciprocated?

VOTIVE CANDLE LIGHTS

For ages, the Catholic faithful follow the custom of lighting candles at churches and shrines as a glorious form of prayer and remembrance. The light from the candle's flame is a powerful symbol of Christ, the Light of the World. Consider lighting a candle for your loved ones during this time or for an special intention.

SHABBAT EXPERIENCE

Thirty parishioners participated in the Shabbat evening service at Chicago Sinai Congregation. Rabbi Zinn welcomed us and offered an overview of the Jewish religion. As one participant stated in an email:

Though both Christianity and Judaism have roots in the Old Testament, for most of us who attended, this was a new perspective and learning experience. The highlight was the bonus session on Judaism and seeing a Torah at the end of the evening.

We hope to offer another opportunity in the near future.

SUNDAY, JULY 7 IS YOUR LAST CHANCE TO PARTICIPATE IN THE CATHEDRAL VISION 2025

As Fr. Greg shared, we are undertaking a Strategic Planning Process for Holy Name Cathedral which will culminate in a Vision 2025 plan. This will be based on extensive research from a variety of sources. Today, we invite everyone to participate in one of two surveys.

For Parishioners: Please take five minutes to complete this survey about how you perceive Holy Name Cathedral Parish, what you see as its role as a parish and the seat of the Archdiocese, and how you believe Holy Name Cathedral can better serve you as a parishioner. Your comments and observations will play a vital role in guiding and informing our Vision 2025 planning process. To take the survey for registered Parishioners, please go to:

<https://www.surveymonkey.com/r/HolyNameCathedral>

For Visitors: Given the special role that Holy Name Cathedral plays in the Archdiocese, it is important that Holy Name has input from all visitors if it is to expansively, creatively, and boldly plan Holy Name Cathedral's future course. Your comments and observations will play a vital role in guiding and informing our Vision 2025 planning process. To take the survey for Visitors, please go to:

Thank you in advance for your time and valuable input!

NOW VENERABLE FR. AUGUSTUS TOLTON

This new title given to Fr. Gus is an important next step in his canonization process. The Archdiocese of Chicago completed a lengthy investigation, documenting his holiness. This evidence was sent to the Vatican's Congregation for the Causes of Saints and the Roman phase began. After an examination of the diocesan documents, the Congregation's theologians were convinced, and then the Cardinal and bishop members of the Congregation also found the documentation favorable. It was then sent to Pope Francis. On Tuesday, June 11th, Pope Francis issued a decree recognizing the 'heroic virtue' of Fr. Gus and now assigned the title 'Venerable' to him.

What was there about this First African American priest in the United States and in Chicago that he lived 'the cardinal virtues of prudence, justice, fortitude and temperance at a heroic level'? Join our Friends of Fr. Augustus Tolton for our July 21st meeting at 12:00 p.m. in the Rectory as we once again tell the story of Fr. Gus, from slave to sainthood.

Our two projects: knitting hats for those attending the **Thursday & Friday Suppers** and hats for those receiving **Blessings in a Backpack** in December. As things stand now we are half way toward our goals. During the Summer months the knitters just keep the needles going, whether they are on a plane, train, or bus! It calms most of us down even though we are working on a project. The entire group consists of very dedicated ladies that love to knit or crochet and love sharing their skills with others who could use a lovely hand made garment. Humor from the Rector

“Why do stores make the sick walk all the way to the back of the store to get their prescriptions while healthy people can buy cigarettes up front?”

Weekend Parking at the Cathedral

Thank you to everyone for your cooperation as we transitioned from our old parking lot to the new approach. As it turns out, we have plenty of room in the Loyola University Self-Park Lot so we will be making this our primary lot every weekend. If it is full, the Security guards will give you information on alternative parking lots. The Loyola Lot is located at 20 W. Chicago Avenue, on the north side between State and Dearborn. We appreciate your cooperation.

Parish Stewardship Sunday Offertory

Due to early bulletin deadlines, weekend collection totals will be available in next week's bulletin.

Thank you to those who regularly and generously give of their treasure as well as those who give of time and talent to support the work of our Cathedral.
