## Message from the Rector

Dear People of God,

On the Feast of Christ the King, November 24, 2013, our Holy Father Pope Francis issued his Apostolic Exhortation “Evangelii Gaudium,” The Joy of the Gospel. Among his key points, he stressed that religion which does not make us responsive, on a human, effective level, to the sufferings of others, is false and dangerous. The Gospel is “joy” because, among other reasons, it empowers us to serve, and the document is issued on the Feast of Christ the King because, in his Kingdom, power is service.

It is in this context that the Pope raised the issue of abortion and reminds us that the context for understanding this issue is “concern for the vulnerable.” It is not abstract, and it is not primarily about sexual morality. Rather, it is about service and justice. Pope Francis’ words about our unborn neighbors are as follows:

*213. Among the vulnerable for whom the Church wishes to care with particular love and concern are unborn children, the most defenseless and innocent among us. Nowadays efforts are made to deny them their human dignity and to do with them whatever one pleases, taking their lives and passing laws preventing anyone from standing in the way of this. Frequently, as a way of ridiculing the Church’s effort to defend their lives, attempts are made to present her position as ideological, obscurantist and conservative. Yet this defense of unborn life is closely linked to the defense of each and every other human right. It involves the conviction that a human being is always sacred and inviolable, in any situation and at every stage of development. Human beings are ends in themselves and never a means of resolving other problems. Once this conviction disappears, so did solid and lasting foundations for the defense of human rights, which would always be subject to the passing whims of powers that be. Reason alone is sufficient to recognize the inviolable value of each single human life, but if we also look at the issue from the standpoint of faith, “every violation of the personal dignity of the human being cries out in vengeance to God and is an offense against the creator of the individual.”*

*214. Precisely because this involves the internal consistency of our message about the value of the human person, the Church cannot be expected to change her position on this question, I want to be completely honest in this regard. This is not something subject to alleged reforms or “modernizations.” It is not “progressive” to try to resolve problems by eliminating a human life. On the other hand, it is also true that we have done little to adequately accompany women in very difficult situations, where abortion appears as a quick solution to their profound anguish, especially when the life developing within them is the result of rape or a situation of extreme poverty. Who can remain unmoved before such painful situations?*

A most powerful message we need to take to heart! I recommend reading the entire document.

This Wednesday, January 22, marks the 47th anniversary of Roe v. Wade and Doe v. Bolton. All life is sacred and a gift from God. May we pray for an end to abortion.

Prayerfully,

Fr. Greg

### **LET US CONTINUE TO PRAY FOR PEACE**

Lord, make me an instrument of Your peace. Where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light; where there is sadness, joy.

O, Divine Master, grant that I may not so much seek to be consoled as to console; to be understood as to understand; to be loved as to love; For it is in giving that we receive; it is in pardoning that we are pardoned; it is in dying that we are born again to eternal life.

The grace that I employ,  
He sends: down from above.

## Sign of Peace & Communion from the Cup During Cold & Flu Season:

As we enter this cold and flu season, it is important to recognize that some people are especially susceptible to the viruses that can be spread by contact and that some immune systems are very sensitive. Please understand that some people may choose not to shake hands during the Sign of Peace, but might simply greet you with a smile. If you do decide to come to church for Mass, please remember that frequent and thorough hand washing, refraining from physical contact during the Sign of Peace, and refraining from receiving communion from the Chalice can help prevent the spread of germs.

## CALLED TO BE HOLY

With this Sunday we begin Ordinary Time. The readings tell us about God's relationship with Israel and John the Baptist's relationship with Jesus. Israel's relationship with God is so close, so intimate, that it is through Israel that God's "salvation [will] reach to the ends of the earth" (Isaiah 49:6). But we know from John the Baptist that for Israel to accomplish God's will, it must also recognize that Jesus is the Son of God. During these weeks we also get to know Jesus. We begin to understand more deeply our relationship to Jesus and what that relationship means for us, who are "called to be holy" (1 Corinthians 1:2).

## JANUARY 22 - DAY OF PRAYER FOR THE LEGAL PROTECTION OF UNBORN CHILDREN

The over 56 million abortions since the 1973 decisions of *Roe v. Wade* and *Doe v. Bolton* reflect with heartbreaking magnitude what Pope Francis means by a "throwaway culture." However, we have great trust in God's providence. We are reminded time and again in Scripture to seek the Lord's help, and as people of faith, we believe that our prayers are heard.

*A great prayer for life is urgently needed, a prayer which will rise up throughout the world. Through special initiatives and in daily prayer, may an impassioned plea rise to God, the Creator and lover of life, from every Christian community, from every group and association, from every family and from the heart of every believer.*

*Pope Saint John Paul II, Evangelium Vitae, no. 100\**

As individuals, we are called to observe this day through the penitential practices of prayer, fasting and/or giving alms.

## QUESTION OF THE WEEK

Am, I willing to serve those who are not of my own tribe, as Jesus as did Isaiah, Paul and John the Baptist?
