## Message from the Rector

Dear People of God,

As a child, I used to daydream often in the classroom. On more than one occasion, I would stare out the classroom window to dream big dreams! At the same time, the teacher would catch me in another world and say, “Mr. Sakowicz, I am not standing on the windowsill!” This would immediately snap me back into the world of the classroom. I share this story because childhood dreams are critical in shaping our future world. Unfortunately, many times as we grow older we settle for less and our youthful dreams fade like a cloud into the sunset.

Dream big dreams! We need to impart in our children the importance of reaching to the stars. Yet, at the “heart of dreams” is developing a “heart of Christ” to serve and live for others.

I share with you a beautiful poem recently given to me . . .

### Dream Dreams

Dreams come and go in our lives. Far more die than come to reality.

What is it in us that allows us to let go of visions that could create new and beautiful worlds? Why do we so easily give in to barriers? Why do we let ourselves conform and be satisfied with what is?

Reaching out to a dream can be risky. It can involve hardships that our imaginations never knew. Our comfort can easily be disturbed. But, what beauty can be experienced as we accept the challenge of a dream!

What a precious feeling to be supported, to have others say you can do it—we can do it together.

Nothing is beyond our reach, if we reach out together. If we reach out with all the confidence we have, if we are willing to persevere even in difficult times, and if we rejoice in every small step forward. If we dream beautiful dreams, that will transform our lives, our world. Nothing is impossible if we put aside our careful ways. If we build our dreams with faith—faith in our brothers and sisters, and above all, faith in our Lord God with whom all things are possible.

~ Author Unknown

At the same time, as we continue our mild winter season, many of our New Year resolutions have already become “good-willed” intentions and memories. However, I offer the following suggestions which are practical “start-ups” any time of the year.

1. When you wake up in the morning, complete the following statement:  
“My purpose today is to \_\_\_\_\_.”
2. Try to make three people smile each day.
3. Realize that life is a school and you are here to learn. Problems are simply part of the curriculum that appear and fade away like algebra class, but the lessons you learn will last a lifetime.
4. Make peace with your past so it won’t spoil the present.
5. Forgive everyone everything.
6. Get rid of everything that is not useful, beautiful or joyful.
7. Remember you are too blessed to be stressed.
8. Sit in silence and prayer for at least 15 minutes each day. Go to mass.
9. Time heals almost everything. Give time time.
10. Each night before you go to bed complete the following sentences:  
“I am thankful for \_\_\_\_\_. Today I accomplished \_\_\_\_\_.”

Remember—Be hopeful! Baseball Spring Training starts later this month! Go White Sox!

Walking with you,  
Fr. Greg

## *We Remember and Celebrate*

### **LET US CONTINUE TO PRAY FOR PEACE**

Lord, make me an instrument of Your peace. Where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light; where there is sadness, joy.

O, Divine Master, grant that I may not so much seek to be consoled as to console; to be understood as to understand; to be loved as to love; For it is in giving that we receive; it is in pardoning that we are pardoned; it is in dying that we are born again to eternal life.

### Sign of Peace & Communion from the Cup During Cold & Flu Season:

As we enter this cold and flu season, it is important to recognize that some people are especially susceptible to the viruses that can be spread by contact and that some immune systems are very sensitive. Please understand that some people may choose not to shake hands during the Sign of Peace, but might simply greet you with a smile. If you do decide to come to church for Mass, please remember that frequent and thorough hand - washing, refraining from physical contact during the Sign of Peace, and refraining from receiving communion from the Chalice can help prevent the spread of germs.

## GOD'S CALL

The person who has been “saved,” who has “heard the good news of salvation,” still lives in an unsaved world, a world sadly oblivious to the presence of God. Today’s readings outline how the disciple is present in the world. The outline begins with Isaiah: “Share your bread . . . shelter the oppressed . . . clothe the naked” (Isaiah 58:7). Those who hear the word of salvation are not insensitive to the urgent needs of others. Then Paul reminds his flock that he brought Christ to them not in eloquence or wisdom, but by being with them in the “weakness and fear” of their daily lives (1 Corinthians 2:3). Finally, Jesus tells his disciples to go out into the gloom and darkness of the streets of the world and let God’s light shine through their good deeds.

We disciples don’t save the world. To the extent, however, that we have heard the word of God and been awakened to God’s presence, we may spread that word and bring that presence to others. Copyright © J. S. Paluch Co.

Your prayers and continuing generosity are greatly appreciated. Thank you very much and may we continue moving forward with the help and grace of God.

Prayerfully,  
Fr. Greg

Perhaps the most striking feature of the Cathedral, the Resurrection Crucifix, created by artist Ivo Demetz, in 1969, is a powerful interpretation of this universal sign of Christianity. The wooden Cross depicts Christ as he is today and always - not a figure in agony, but the risen and triumphant Lord who died for our salvation.

You can own an 8 inch replica to display in your home or give as gifts. Donation is \$20.00 each and can be purchased in the Rectory office.
