HOLY NAME CATHEDRAL, CHICAGO
Strength for the Journey

We are living amid a plague, Covid-19. We shelter in place, attempting to flatten the curve of infection. As Catholics, we yearn for the day that we can gather, pray, and sing as a Eucharistic people. In the meantime, we are called to pray. As you walk the downtown area, consider using these short pilgrimages as a guide for praying the rosary. Each decade commemorates places of worship, centers of first responders, and other necessities. You can substitute the sites according to your wishes. Either way, take your time, greet others, as Jesus would do daily. At the end of your pilgrimage, pray the following:

We plead to you, Our Lady of Mercy, to intercede for those who are ill, those who have died, those who have no faith, and possibly no hope. Help us find the strength to be Joyful Disciples in the Holy Name of Jesus, this day, and all days. AMEN.

Holy Name Cathedral Young Adults and Faith Formation Commission
