# Reflections from Our Rector

---

Dear People of God,

A blessed and Happy Father's Day and to all men who love in a fatherly way.

I also offer heartfelt congratulations to our Frances Xavier Warde School Graduates – Class of 2022. This class is truly a marvelous group of young people. They are kind, respectful and the Class of 2022 has developed many fine leaders. We are proud of all of you!

I also extend congratulations to all our Holy Name Cathedral Parish 8th graders, high school seniors and college graduates. Congratulations! We are proud of all your achievements!

I share with you this outstanding "Graduate Prayer."

## **Prayer Over the Graduates**

*(As composed from sources by Fr. Ken Simpson)*

May God, the source of all blessings be with us all, and may those blessings He poured out go with these graduates in a special way. May the source of strength be with you, preserving your ideals and keeping you well-balanced. May you be a source of hope and strength to those you encounter.

May the blessings of strength go with you.

May the center of compassion be with you, deepening your care for yourself, and your reverence and respect for all life. May compassion guide you in all your dealings as a gift to others.

May the blessings of compassion go with you.

May the promise of peace be with you. May you be filled with gratitude for your gifts and talents, your learning and skills. May your own joy direct and enhance your service to others.

May the blessing of joy go with you.

May the holiness of love be with you. May it fill your home and your heart and wherever you go, whatever you do, make you whole. May love brighten your eyes and help you to share your fullness with all those who are empty.

May the blessing of love go with you.

May all that is true, honorable, just, pure, gracious and beautiful fill your thoughts, satisfy your hearts and guide your actions.

May every blessing go with you.

We ask this through Christ our Lord. Amen.

And lastly, I close with a "Sneeze" to brighten and warm our summer together.

## **Sneeze**

They walked in tandem, each of the 92 students filing into the already crowded auditorium.

With rich maroon gowns flowing and the traditional caps, they looked almost as grown up as they felt. Dads swallowed hard behind broad smiles, and Moms freely brushed away tears.

This class would not pray during the commencements — not by choice but because of a recent court ruling prohibiting it. The principal and several students were careful to stay within the guidelines allowed by the ruling. They gave inspirational and challenging speeches, but no one mentioned divine guidance and no one asked for blessings on the graduates or their families.

The speeches were nice, but they were routine.... until the final speech received a standing ovation. A solitary student walked proudly to the microphone. He stood still and silent for just a moment, and then, it happened. All 92 students, every single one of them, suddenly SNEEZED!!!

The student on stage simply looked at the audience and said, "GOD BLESS YOU, each and every one of you!" And he walked off stage...

The audience exploded into applause. The graduating class found a unique way to invoke God's blessing on their future.

To all our graduates, follow your heart by following the Lord Jesus. Live life for others and let God surprise you — stay connected with the Faith Community — and "fly" with the Lord!

God Bless you, each and every one of you,  
Fr. Greg

## Thank you, Fr. Marek!

Words cannot express my deepest thanks to Fr. Marek Smolka for five outstanding years of service at Holy Name Cathedral. ## A Note of Thanks from Fr. Marek Smolka

I still remember like it was yesterday when I received a phone call from the priest placement board asking me to come to the Cathedral to be an associate pastor. First, I told the priest that he had got the wrong number. Second, I told him my English to come to the Cathedral was not very good. Third, I said I don't want to be downtown. I had a few more arguments about not taking the assignment, but the priest told me, "Marek, you need to go on retreat, pray about it and call me back." So the next week, I went on retreat to pray about it. When I returned, I called the priest representative back. I told him I would only come for three years. He responded, "Sure, it's fine." Fast forward five years later and I'm still here — until July 1.

During the last five years, I've learned a lot from our Rector, Fr. Greg Sakowicz, who always thinks he is funny with his jokes, and from my brother priests, whom I had the privilege to live with and share meals, pray with and laugh together. Being the Director of Liturgy was and is a big job, however overseeing liturgy at the Cathedral is a rich and great environment. Although I had been a priest for three years before coming here, the past five years helped shape me as a priest.

Many thanks to Michelle Peltier, my Liturgy partner and friend. She has always been very supportive from the very first day I arrived. Sadly, she is leaving as well, but her dedication, hard work and ministering to all the faithful have inspired many volunteers, ministers and parishioners. Thank you, Michelle!

Many thanks to all the current and past staff of Holy Name Cathedral. You helped pave the way for me. For that, I am grateful.

I want to take this opportunity to thank all of the Liturgical ministers I had the privilege to work with during my time at the Cathedral. Thank you for your years of dedication and strong faith.

Thank you to our parishioners — you are our faithful ones who make what all of us do possible. Your unyielding faith before, during, and after COVID is exceptionally admirable. I cannot begin to tell you how much you are appreciated. My relationship with you has prepared me to be the Pastor of St. Francis Borgia.

Please know that you will continue to be in my prayers.

Thank you, thank you, thank you, and dziękuję.

## Have You Passed Through Our Holy Door?

A Holy Door is ultimately a symbol of Christ, and of his Sacred Heart, which is opened for all to encounter his love and his mercy as they walk into the Church. Since the 14th century, the Holy Door at St. Peter's Basilica in Rome has been opened for pilgrims to pass through during a Jubilee Year to obtain special graces and indulgences. The Holy Door represents Christ, who is "the gate. Whoever enters through me will be saved and will come in and go out and find pasture" (John 10:9).

Since then, the doors at St. Peter's and the other 3 Papal Basilicas in Rome have been opened to commemorate Jubilee Years. The most recent Ordinary Jubilee was in 2000, with St. Pope John Paul II opening the Holy Door at St. Peter's on December 24, 1999, and the most recent extraordinary Jubilee was in 2015 with Pope Francis opening the Holy Door for the Year of Mercy on December 8, 2015. Up until 2015, to obtain the special grace of passing through the Holy Door, pilgrims would need to go to Rome. In 2015, Pope Francis allowed local Churches to designate a Holy Door so all the faithful can receive the grace associated with the Jubilee Year without needing to travel to Rome.

Holy Name Cathedral and the National Shrine of Mother Cabrini in Lincoln Park have been granted permission to designate and open a Holy Door for the 75th Jubilee of Mother Cabrini's canonization. The Jubilee Year will conclude on November 13th, 2022, the Feast Day of Mother Cabrini. By passing through the Holy Door, one seeks to renew their commitment to the missionary zeal given to us at Baptism, to spread the Good News to everyone we meet. As you pass through the Holy Door, either at the Shrine dedicated in honor of Mother Cabrini, or Holy Name Cathedral, a place where Mother Cabrini prayed while in Chicago, may Jesus, the Gate, inspire you to be a missionary in our world. May Mother Cabrini's intercession help you to realize that "Christ's Love Heals the World," and deepen your devotion to the Sacred Heart of Jesus, while inviting others to find refuge in his love and mercy as well.

## Theology 101

# Facing Our Anxiety with God's Promise (Part 1)

By Fr. Louis J. Cameli

**T**he theme of the 2022 Annual Catholic Appeal is: *Making all things new: God's promise and our responsibility*. The theme draws on words from the Book of Revelation, "Behold, I make all things new" (Rev. 21:5). It highlights God's promise of complete renewal and our responsibility in making that promise a reality. In accepting the promise, we work with the Lord to renew and transform our world and our very lives.

This year's theme provides an antidote to the pain and struggle that we've all endured from the pandemic during these past two years. Illness, death, isolation, job loss, social upheavals — these things and more have laid bare the deep and troubling experience of anxiety.

Anxiety is more than simple worry or fretting. It is even more than a generalized fear. Anxiety is a sense of impending loss accompanied by a feeling of losing control.

If you understand anxiety this way, then certainly the pandemic has left all of us anxious. That fear of the unknown coupled with a sense of doom — never sure who might succumb to the illness, when it might happen, and with what consequences — is always present. Add to this the often-mixed communications about the pandemic — its severity, its predicted course, needed mitigations, and a patchwork of public policies — it's no wonder that the whole world seems to be experiencing anxiety individually and collectively.

Certainly, we are anxious for ourselves and for what might happen to us, but even more poignantly, we are anxious for those we love. Think of all the parents concerned for their young and unvaccinated children. Think, too, of adult children fearful about their fragile and susceptible elderly parents. We wonder if and when the pandemic will ever end.

The anxiety that the pandemic has stirred in us is a human and psychological challenge that we need to address. That same anxiety also summons us as a people of faith to a spiritual response. We consider both these dimensions.

From a human and psychological perspective, we note that anxiety in our circumstances today is not unreasonable nor is unexpected. There is good reason to be anxious. In this context, I recall a humorous but insightful exchange that I had with an elderly woman. She said to me, "With all the things that can go wrong in life these days, it's really scary to be alive." She had a point. Our anxious feelings are not off the mark.

It is not a pleasant feeling to be anxious, but there can be a positive side that can work to our advantage. Anxiety can make us aware of possible harm, which can mobilize us to respond appropriately to whatever is causing our anxiety.

On the other hand, in some circumstances, anxiety can immobilize us. We can be frozen with worry. That kind of emotional paralysis does not usually lead to good outcomes. Another and perhaps more common way that anxiety works against us is by distracting us. We can be so caught up in our fears and worries that we find ourselves continuously distracted from the task at hand. It takes more time to accomplish what we need to do, and we feel a disproportionate depletion of energy. This distraction of anxiety can invade our prayers and frustrate us terribly. Still, we are not without hope. There are spiritual strategies that help us face and address our anxiety...Part #2 will be featured in our June 26 Bulletin.

*Fr. Louis J. Cameli, a Cathedral resident priest, is the Cardinal's delegate for Christian formation and mission for the Archdiocese of Chicago.*

## Join Our Ministry of Care to Bring Communion to the Sick

### Ministers Needed As We Prepare to Restart Ministry

After an extended two-year+ hiatus, we are happy to announce that we will be resuming our Ministry of Care program at several of our local healthcare facilities. This includes Northwestern Memorial Hospital (Galter and Feinberg Pavilions and Prentice Women's Hospital), Shirley Ryan AbilityLab, and Warren Barr Rehabilitation Center. There are two additional locations that we hope to add in 2023. All these facilities are a short walking distance from the Cathedral. We also have several in-home visit opportunities for those unable to come to church.

### What is the Ministry of Care?

Ministry of Care to the sick is a pastoral ministry of caring for those who are hospitalized, in nursing homes or confined to private homes. This ministry is provided by trained and certified lay men and women, ordained deacons, vowed religious sisters and brothers and priests within the Archdiocese of Chicago. Ministers are trained and formed to conduct pastoral visits with time to listen and pray about the concerns of the sick or shut-in person and to share Eucharist with them.

### How does one become a Minister of Care?

As mandated by the Archdiocese of Chicago, each minister must complete a minimum of ten hours of training. Holy Name Cathedral is blessed to have a cadre of priests and deacons who collaborate with

Lori Doyle, Director of Pastoral Ministries, to design and deliver the training. It is primarily an in-person training with opportunities to practice patient interactions. We plan to start the training this summer and into the early fall.

### Qualities of a Minister of Care to the Sick

Ministry of Care to the Sick is a service offered to people at vulnerable and painful times in their lives. The person who cares for the sick and shut-in needs to have specific qualities and gifts, including a listening presence, compassion and empathy, a non-judgmental mindset, confidentiality, commitment and follow-through, prayerfulness, a gentle demeanor and commitment to continuous training and spiritual development.

Serving as a Minister of Care is not

volunteering; it is a ministry. As such, it's important that Ministers not act on their own, but on behalf of the Church.

### How often do I serve as a Minister of Care?

The schedule for ministers is highly flexible. We serve seven days a week, 365 days a year. Some ministers serve on a weekly basis while others serve every other week or twice a month. You may visit your assigned patients anytime during patient visiting hours on your assigned day.

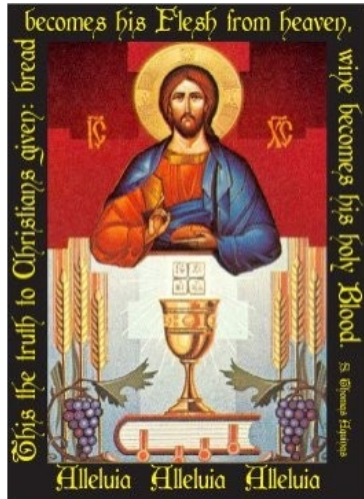

### How to sign up

## Living as Grateful Stewards

Today, we observe the Solemnity of the Most Holy Body and Blood of Christ. This beautiful feast celebrates the gift of the Eucharist, which the Catechism of the Catholic Church teaches is the source and summit of our Christian faith. “For in the blessed Eucharist is contained the whole spiritual good of the Church, namely Christ Himself” (CCC paragraph 1324).

The very word, Eucharist, means “thanksgiving” or “gratitude” and so this feast is especially meaningful to all of us who are striving to live as grateful stewards of all God’s blessings to us. Surely the Eucharist is the greatest of all blessings because it is not only from God, it is God – the Body, Blood, Soul, and Divinity of our Lord, Jesus Christ.

Today’s second reading from St. Paul’s letter to the Corinthians reminds us of the depths of love our Lord has shown us in the gift of the Eucharist, recalling Christ’s words at the very first Eucharistic celebration. “The Lord Jesus... took bread, and, after he had given thanks, broke it and said, ‘This is my body that is for you.’” In that moment, and at every celebration of the Mass thereafter, Jesus gives us His very self in an act of complete humility and perfect love. How can we possibly show our gratitude for such a sublime gift? We can receive the gift of the Eucharist with the greatest possible reverence and love. And, following our Lord’s example, we can give ourselves generously to others in the week ahead.

## There’s No Place Like FXW

The Frances Xavier Warde School (FXW) is a purposefully diverse independent Catholic school that is grounded in faith, dedicated to service, rich in academics, and inclusive of all cultures and

backgrounds. We have two campuses — one at Old St. Patrick’s Church for Pre-K through Grade 3 students and another at Holy Name Cathedral for Grade 4–8 students.

FXW is currently accepting admission applications for the 2022–2023 school year for all grades. Please visit [fxw.org/apply](https://fxw.org/apply) to learn more about the application process or reach out to an admission team at [admissions@fxw.org](mailto:admissions@fxw.org) if you have any questions.

## What is a Mass Intention?

Holy Name Cathedral offers you different possibilities when you request that Mass be celebrated for a particular intention. Requesting a Mass intention means that you are asking that the grace of Christ's sacrifice in his death and resurrection be applied for a particular purpose, for example, for a deceased person or a living person who is ill or in thanksgiving for a favor received.

At Holy Name Cathedral, we celebrate single-intention Masses as well as gathered-intention Masses (Wednesdays at 8:00am and Fridays at 12pm). To request a Mass Intention, please stop by our Rectory during business hours. Any questions, call the Rectory (312) 787-8040.

## Light a Prayer Candle

Lighting a candle for your family and friends or for a personal prayer is an important Catholic tradition. It would be our honor to have one of our resident priests light a Cathedral Candle on your behalf. They will pray to our Lord to intercede on behalf of your personal intention.

Just scan the QR code to complete the request form.
